Sir Isaac Brock Blend

All Sir Isaac Brock Blend coffees are Organic, Fair Trade and Roasted on Site

Light Roast: ***Gently aromatic with full flavour, sweet creamy texture and smooth finish…***
A graceful mix of Central and South America coffees roasted brown. The Full Body of the Centrals combined with the sweet taste of the South Americas offer a cup delightfully unique.

Medium Roast: ***Excellent round flavour with distinctively pleasant bouquet and a fine finish.***
Latin America's finest Green Coffees, each lending its unique taste profile to this exciting beverage.

Dark Roast: ***Full body, bold taste with rich aroma and a smooth finish…***
Green coffees of Central and South America balanced in perfect harmony with no aftertaste, despite the dark roast.

Decaf: ***Well-balanced with pleasant fragrance***
The Water Decaffeination process uses only water to remove caffeine from coffee.
