What would you do if you saw a rattlesnake?

.....

"I'd slowly back up, depending on where it was. I'd also let people know about it, and make sure the kids weren't around."

- Jane Truax

.....

"I would check out where it was in relation to me, and if it was close by, I wouldn't move."

- Joyce Milewski

"I would look at it, from afar. Snakes don't scare me."

- Judy Sutherland
