

VILLAGE SUMMER NEWSLETTER

Volume 6, Issue 1

June 2015

BROCK UNIVERSITY

Welcome to Village!

First off let me congratulate you on becoming a Brock Badger! Secondly welcome to Village!

My name is Alyssa Urbshott, I am one of the Head Residence in Village for 2015-2016. I am heading into my 4th and final year of Political Science here

at Brock. I love everything about Brock and hopefully you will too! I have lived in residence my entire time here at Brock, and let me tell you it is the best place to live. You will create many different memories and experience a whole array of things. I highly recommend that you get involved within the residence community. Some of my favourite memories come from different residence events I attended. I know many of the Residence Life Staff are all very excited to meet you all and help you make the most of your residence experience. I hope you are all just as excited for what is to come!

Enjoy the rest of your summer Badgers! I cannot wait to see your excitement on move in day.

My name is Steven Voulgaris and I will be your Head Resident for 2015-2016!

First off, let me congratulate you on picking Brock and making it thus far in your academic career! I

know that you have all put a lot of work into getting into university, and I hope that our Village Residence team can help make a wonderful first year experience. I am going into my fifth year of the Concurrent Education program with future aspirations of becoming a grade 7/8 science teacher. As a Head Resident I am responsible for supervising the dons within Village South Residence (courts 4,7,8 & 9). First year can be an overwhelming time, however it is also a time of exploration, character development and creating the meaningful relationships that you will take on the rest of your life.

The whole Village South staff along with myself are ecstatic for the upcoming year and making it one that we will all remember!

Hello future Village students!

My name is Dubé and I am going to be a Head Resident in Village this year! Trust me when I say that this year will bring with it memories that are sure to last a lifetime!

I am a fourth year computer science and math student and I, as well as the rest of the Village staff, cannot wait until all of you move in to your new home in September!

You better start counting down the days because what started as a distant goal will soon become a reality!

I wish each of you an exciting summer prior to move in and an even better eight month journey with the other Village students!

Thank you!

Special points of interest:

- Built in three phases: **1989, 1993, 1998**
- Home for **868** students
- 12 courts with 15 townhouse units each (except court 9 which has 11)
- The Village Staff are divided into three teams; **North, South and West** (see reverse)

Get Ready for O-Week 2015

O-Week is designed to help you meet new people and have a ton of fun while getting oriented to campus. Residence events will include, Rez Summer Games, Family Feud, Open Mic Night and much much more. Two things for you to note: there are **NO GUESTS** permitted in residence during O-Week. Also, all residence students will get a wristband for the week that will act as your ticket into event and daily prizes. Make sure you don't lose that wristband!

BUSU is also busy planning events for the week, more details at www.busu.net/oweeek

Cup of Courts

Cup of Courts 2014-2015 Winners

What is the Cup of Courts?
The Village RLS run events throughout the year and at each event, the courts in Village win points. These points are tallied up at the end of the year and the court with the most points wins the Cup of Courts. The 2014-15 Cup went to Currie Chameleons (Court 10). You can get involved this year by going to various events with your court...the question is, who will be the big winner this year?

From your RLC...

I hope you are enjoying your summer, and getting excited to start your journey at Brock University! As your Residence Life Coordinator, I would like to welcome you to your year in Quarry View Residence!

University is a phenomenal experience, I would encourage you to make the most of it by getting involved in Residence / on Campus!

If you have any questions/concerns as the year progresses or you just want to say 'Hi' please feel free to visit me in DeCew R202. You can also reach me by phone or email (x6116, ndoan@brocku.ca).

So, you may be wondering a little bit, what is it like to live in res?

When you live in residence there are so many opportunities to meet people and get involved in different things on campus.

In residence we have a few different groups that you can join:

- Residence Action Council (RAC)
- Residence CREW

Plus, you can get involved in our Residence Service Learning projects, attend residence events, help your Don out with various tasks or even join an intramural team.

You will soon find that your court

The Res Life Experience!

will become your community; it will be your home away from home with a large support system that can help you through your transition into university life.

The thing to remember is that you will have time to get involved. Some students are afraid to get involved in their first year because they aren't sure how much school work they'll have (you'll have lots) but students always find time to have some fun.

More information about these groups and how to get involved are on the

residence website:
www.brocku.ca/residence.
