## Coup de View

What is the Coup de View? The QV Crew (a bunch of students) run events throughout the year and at each event, the halls in Quarry View win points. These points are tallied up at the end of the year and the house with the most points wins the Coup de View. The 2014-15 Cup went to Muir Block. You can get involved this year by joining QV Crew or simply by attending events with

your Block...the question is, who will be the big winner this year?

## The Rez Life Experience!

Quarry View Block Award Winners  
2014-2015 (this could be you!)

So, you may be wondering a little bit, what is it like to live in residence? Well, it's not the same as living off campus in a house.....when you live in residence there are so many more opportunities to meet people and get involved in different things on campus.

In residence we have a few different groups that you can join:

- QV Crew
- The Residence Action Council (RAC)
- Actively Acting out

Plus you can get involved in our Residence Service Learning project, attend residence events, get involved in your house as a fire warden, help your Don out with various tasks or even join an intramural team.

The thing to remember is that you will have time to get involved.

Some students are afraid to get involved in their first year because they aren't sure how much school work they'll have....you'll have lots but you also have to have some fun and being involved in any of these groups is not a huge commitment and it will help you in the future if you want to become a Don, or just to add things to your resume.

More information about these groups and how to get involved are on the residence website: [www.brocku.ca/residence](http://www.brocku.ca/residence).
