#### Shinerama

The Shinerama car wash for cystic fibrosis was once again a huge success! Many compliments were given to the BLCS for their energy and enthusiasm at their site on Merritt Sreet. Although we still await the final numbers, it is safe to say that records have been broken regarding the number of volunteers that came out to support Shinerama, and the amount of money raised. Congratulations BLCS and all the Shinerama volunteers!

# Words With Our Members

W. Aaron House Manager, Student Awards

Can you believe we are already entering October? The leaves are changing, the air is crisp and before you know it you will be headed home for Thanksgiving.

I am aware that most of you have begun your Foundations in Leadership; this is a program I have completed and can assure you that the skills that you acquire will benefit you in all aspects of your life. Even though this is the second year of the BLCS, big things are already taking shape for year two. Foremost, with the opening of the new Student Leaders Innovation Commons, the BLCS now have a home base for their projects. I am very proud of Brock for the creation of this space as it illustrates their commitment to fostering young leaders.

Best of luck to you all - I hope you have a little time to take in the in the beauty of Niagara at this special time of year.Remember, my door is always open if you have any questions or concerns. Feel free to stop by my office at anytime.

#### What BLCS Means to Me?

Mauryah Burattini (2nd year)

Stephanie Gumieniak (1st year)

BLCS to me is a core group of honorable friends and accomplished individuals. Nothing seems out of reach for these students and I know that by being a part of this group, my time here at Brock will be a memorable experience that I will take with me for the rest of my life.

The Brock Leaders Citizenship Society is a group of like minded students who excel academically and use their leadership skills to make a positive contribution to the Brock community as well as the local and global community.
