Email Communication to GPD's

March 2010

March 16: Graduate Calendar 2010-11

Good afternoon,

Please review your 10/11 calendar submission (final copy) prior to us loading it to the online web Calendar to ensure it is complete and accurate by logging onto the online Calendar preparation system and selecting the hide annotations option so that you can review a clean copy of your submission. Please email me with any changes/problems that must be fixed by Monday, March 22.

Thank you,
