

Office of the Registrar

ADMISSION CRITERIA

2023 Entry

IMPORTANT INFORMATION

MINIMUM CREDENTIALS

Applicants must meet all program-specific admission criteria to be considered for their preferred program. A chart outlining these requirements can be found below. These grade requirements represent the **competitive** admission average. Applicants that do not meet program admission criteria (prerequisite subjects and admission average) will automatically be considered for an alternate program, where possible. Achieving the minimum requirements does not guarantee admission.

PREREQUISITE SUBJECT REQUIREMENTS

For any secondary school student applying from outside of Ontario, prerequisite courses must be completed at the senior secondary school level. For any applicant that has attended a post-secondary program, prerequisite courses may be accepted from courses completed at the senior level of secondary school, or as part of the post-secondary program. Additional documentation may be requested from you to assess your prerequisites for equivalency.

GRADING SCALES

Grading varies around the world, as well as among secondary schools, universities, and colleges. For this reason, all incoming grades are translated into equivalent Brock University grades and admissibility is determined using this approach.

APPLICATION DEADLINES

- **Students applying as a 101 student** should follow the information provided on the [101 OUAC application](#).
- **Students applying as a 105 student** should follow the information provided on the [105 OUAC application](#).
- All other applicants, please review our website for [important application and document submission deadlines](#).
- Some programs are more competitive and have earlier application and document submission deadlines. In cases where a program fills quickly, programs may no longer be available. Please apply early!

ADDITIONAL APPLICANT INFORMATION

International Students

Applicants must present the credential required for entry to degree-level study in their home province/country. Please review the [minimum international credentials](#) required to learn more.

Secondary school studies from Canadian provinces or territories outside of Ontario

<https://brocku.ca/admissions/out-of-province/>

Secondary school studies from outside of Canada

<https://brocku.ca/admissions/undergraduate/#international-secondary>

Transfer students (from a Canadian or International College or University)

<https://brocku.ca/admissions/undergraduate/transfer-students/>

Students applying to a Certificate

<https://brocku.ca/admissions/certificate-programs>

TRANSFER CREDIT

Brock welcomes and recognizes previous academic learning by awarding transfer credit. Learn more about our [transfer credit policies](#). Some programs do not permit transfer credit, some have limits to the number of transfer credit that can be awarded, and some transferring courses require minimum grades to be considered for transfer credit.

INTERNATIONAL CURRICULUM EQUIVALENCIES

IB, GSCE, CAPE equivalent grades:

Brock	IB Curriculum	GCE (AS/A levels)	CAPE Curriculum (Units 1 or 2)
A++	IB grade of 7	A*	
A+	IB grade of 6	A	1
A		A	1
A-	IB grade of 5	B	2
B+			
B	IB grade of 4	C	3
B-			
C+		D	4
C	IB grade of 3	E	5
C-			
D+			
D	IB grade of 2		

ADMISSION CRITERIA BY PROGRAM

Information below represents the competitive admission averages and prerequisite subjects necessary for entry to an undergraduate program at Brock University, and anticipated admission averages are subject to change depending on the strength and size of the applicant pool and space availability.

Faculty of Applied Health Sciences:
