

DEFERRAL REQUEST FORM

Brock University - Undergraduate Studies
Office of the Registrar and Enrolment Services
1812 Sir Isaac Brock Way, St. Catharines, ON L2S 3A1

Instructions

This form is for students who hold an undergraduate offer to Fall and would like to request a one-year deferral of their offer to the next Fall entry point. The request is available for students who have experienced a significant extenuating circumstance and who have made the decision not to attend studies. Deferrals are intended to provide compassionate consideration and support for those students by holding their seat in their originally offered program for the next Fall entry point. The form is open July 1 through August 15. **No extensions permitted.**

Before submitting your request form, please review the [Deferral Policy](#) information on our website. If you submit the form in error or if it contains inaccurate or incomplete information, it will not be considered. If your request is denied, inaccurate, or incomplete, the Deferral Request fee of \$55 is non-refundable. If your student file is complete (see Deferral Eligibility Checklist below), you will receive a decision within 10 business days. **No decisions will be made after August 24.**

Please download this fillable PDF, [type your responses into the form](#), save the document using your last name and student number, and upload it to your **'Student Forms and Service Request'** located in your my.brocku.ca student portal, along with the deferral request fee of \$55. Declarations

Please read each statement and check the box, if applicable, that you understand and agree to the following:

	I understand that Brock will only notify me of a decision on my deferral request once all conditions stated in my offer have been met and all final official documents have been received. The onus is on me, the student, to submit what is necessary to complete my request so Brock can make a decision.
	I understand that Brock will not make decisions after August 24 and all conditions of my offer must be completed prior to that date.
	I have reviewed, understand, and agree to Brock University's Undergraduate Admissions Deferral Policy , and I understand that failure to meet policies will result in the cancellation of an approved deferral.
	I understand that if I am an international student who has received a Provincial Attestation Letter (PAL) for my original entry point, this deferral does not guarantee me a PAL for my new entry point.
	I understand that Brock reserves the right to deny a request and that the deferral request fee is non-refundable, regardless of Brock's decision.
	I confirm that all information/statements are true and accurate. I understand that my request is subject to denial, should there be any misrepresentation, error, or omission in the information I've reported.
