

PROGRAM PLAN FOR BACHELOR (PASS) COMMUNITY HEALTH 2017/2018

Student Name _____

ID # _____

Credit Value	Year 1	Year 2	Year 3	Grade
1.0	HLSC 1F90 Introduction to Health Sciences	HLSC 2P07 Biostatistics I	HLSC 3F20 Program Planning and Evaluation	Grade
1.0	MATH 1F92 or MATH 1P98 and .5 Elective	HLSC 2P21 The Health of Canadian Society	HLSC 3P37 Qualitative Research in Health Sciences	
1.0	Humanities Context Credit	HLSC 2P27 Research Methods in Health	HLSC 3P50 Health Promotion	
1.0	Science Context Credit (BIOL 1F25 1F26 or 1F90 recommended)	HLSC 2P49 Health and Behaviour	Credits From: HLSC 3P07, 3P21, 3P25, 3P26, 3P52, 3P68, 3P80, 3P92, 3P94, 3P96, 4P03, 4P59	
1.0	Elective Credit (Must be Outside of HLSC)	Credit From: HLSC 2F95, 2P02, 2P09, 2P40, 2P50, 2P60, 2P65, 2P90, 2P91, 2P98	Elective Credit (1.0 Must be Outside of HLSC)	
			2.0	

Credit Value	Year 1	Year 2	Year 3	Grade
1.0	HLSC 1F90 Introduction to Health Sciences	HLSC 2P07 Biostatistics I	HLSC 3F20 Program Planning and Evaluation	Grade
1.0	MATH 1F92 or MATH 1P98 and .5 Elective	HLSC 2P21 The Health of Canadian Society	HLSC 3P37 Qualitative Research in Health Sciences	
1.0	Humanities Context Credit	HLSC 2P27 Research Methods in Health	HLSC 3P50 Health Promotion	
1.0	Science Context Credit (BIOL 1F25 1F26 or 1F90 recommended)	HLSC 2P49 Health and Behaviour	Credits From: HLSC 3P07, 3P21, 3P25, 3P26, 3P52, 3P68, 3P80, 3P92, 3P94, 3P96, 4P03, 4P59	
1.0	Elective Credit (Must be Outside of HLSC)	Credit From: HLSC 2F95, 2P02, 2P09, 2P40, 2P50, 2P60, 2P65, 2P90, 2P91, 2P98	Elective Credit (1.0 Must be Outside of HLSC)	
			2.0	

Other Notes

- Important Notes**
- To proceed to year 2, students must achieve a minimum grade of 60 percent in HLSC 1F90 and either MATH 1P92 or 1P98, and have a minimum 60 percent major average and a minimum 60 percent overall average. To continue in the program after second year, students must achieve and maintain a minimum 60 percent major average and a minimum 60 percent overall average.
 - To be eligible for the Pharmacy Technician articulation program, students must achieve a minimum grade of 65 percent in HLSC 1F90 and MATH 1P92 (or MATH 1P98) with a minimum 60 percent overall average; have completed 5.0 credit units, which includes 1.0 Humanities context credit and BIOL 1F25, as well as have submitted an application to the Undergraduate Program Co-ordinator by April 1. To be eligible for the Massage Therapy articulation program, students must achieve a minimum grade of 65 percent in HLSC 1F90 and MATH 1P92 (or MATH 1P98) with a minimum 60 percent overall average; have completed 5.0 credit units, which includes 1.0 Humanities context credit and BIOL 1P91 and 1P92 (or 1P98 Science context credit if 12U Biology completed), as well as have submitted an application to the Undergraduate Program Co-ordinator by April 1.
 - BIOL 1F25, 1P27, 1P28, 1P91 or 1P92 are recommended for students in the Community Health program. For the Massage Therapy articulation program, BIOL 1P91 and 1P92 are required (or 1.0 Science context credit if 12U Biology completed).
 - At least one credit each year must be taken outside the Department of Health Sciences. Suggested electives include COMM 1P96, 1P97, GIBG 1P90, INTC 1P90, PSYC 1P90, SOCI 1P90, WGST 1P90.
 - In 15 credit degree programs a maximum of eight credits may be numbered 1 (alpha) to 1 (omega)99; at least three credits must be numbered 2 (alpha)90 or above; and the remaining credits must be numbered 2 (alpha)90 or above.

- Program planners are designed to help students stay on track with course requirements for degrees within the Department of Health Sciences.
- Planners are available for each of the specialized programs of study in Child Health (Honours), Community Health (Pass or Articulation Agreements), Medical Sciences (Honours) and Public Health (Honours). Students in the Biomedical Sciences program are asked to speak with the Biology Department Academic Advisor regarding their program requirements.
- The planners are organized on the website by Program Requirement Year. The Program Requirement Year is the year a student enters the program as a Major. Students must follow the program outlined in the Brock Undergraduate Calendar (please refer to the online Brock Undergraduate Calendar for the most up-to-date information) that corresponds to the student's Program Requirement Year (e.g. students who start in September 2012 as Medical Sciences majors must follow the program prescribed in the Brock 2012/13 Undergraduate Calendar). Please note that students who interrupt their studies for one or more years become subject to the calendar regulations in effect at the time of their re-registration.
- If changes have been made from the program requirements outlined in the Brock Undergraduate Calendar, the changes are reflected on the program planners (e.g. changes in course codes).
- When completing a program planner it is recommended that students confirm their Program Requirement Year and the courses they have successfully completed by checking their student record on the Brock Portal system (<https://my.brocku.ca/portal/>).
- It is recommended that all students complete a program planner prior to booking an appointment for program advising and that they bring their completed planner with them to the appointment.
- It is the responsibility of each student to ensure that the courses selected meet their degree requirements and that they adhere to restrictions, course prerequisites and published deadlines. All courses and programs are subject to enrolment limitations. Not all HL-SC courses will be offered every academic year.
- Shadowing a program does not guarantee admission into it.

(Revised May 2014)
