## General Information

The **Department of Kinesiology First Year Registration Guide** contains important information that will assist you in registering for the 2020-2021 academic year. Be sure to review the information in this guide carefully. This Guide is designed to provide you with program specific information to supplement the information in the **Brock 2020/21 Year One Registration Guide and Timetable** on the Registrar's website, which you should review thoroughly.

<https://brocku.ca/registrar/guides-and-timetable/year-one-students>

You can also reference the upper year registration guide <https://brocku.ca/registrar/guides-and-timetable/returning-students> to see course times for the first year classes with a second year code (KINE 2P08 and 2P41 for Bachelor of Kinesiology Majors).

You will find information on the first year requirements for your program in the Kinesiology First Year Registration Guide below, including which courses you are required to take and minimum grades/averages you are required to obtain in order to continue in your program after your first year. You should review the full requirements for your degree program in the 2020-2021 Undergraduate Calendar. You will also find additional information in the Undergraduate Calendar about your courses (e.g. course descriptions, prerequisites and restrictions, etc.)

You will be following the program requirements outlined in the 2020-2021 Undergraduate Calendar. You will need to satisfy the program requirements outlined in this Calendar in order to graduate from your program.

<https://brocku.ca/webcal/2020/undergrad/>

## Credit System

***What is a credit vs. a course? How many courses do I have to take each year? How much is each course worth? How long will a course last?***

Each course at Brock is worth either a full credit or a half credit. Students typically take 5.0 credits each year. A combination of full credit courses and half credit courses can be combined to total 5.0 credits. All of the degrees offered from the Kinesiology Department - BPhEd, BKin, and BSc(Kin) - are 20.0 credit degrees.

- **FULL CREDIT** = 1.0 credit
  - Denoted by an 'F' (i.e. 'full credit') in the course code. E.g. FREN 1**F**90
  - Usually run for the entire Fall/Winter, beginning in September and ending in April
- **HALF CREDIT** = 0.5 credit
  - Denoted by a 'P' (i.e. 'partial credit') in the course code. E.g. KINE 1**P**90
  - Usually run for one term - a Fall term courses begins in September and ends in December; a Winter term course begins in January and ends in April

## Durations

***How long are the courses? When do they begin/end?***

The Fall/Winter academic session at Brock begins in September and ends in April and is divided into 3 possible terms, or 'durations'.

- **D1 = September - April** (aka 'Fall/Winter term')
  - Usually only full credit courses are scheduled for D1 (e.g. FREN 1F90)
- **D2 = September - December** (aka 'Fall term')
  - Usually only half credit courses are scheduled for D2 (e.g. KINE 1P90, KINE 1P93)
- **D3 = January - April** (aka 'Winter term')
  - Usually only half credit courses are scheduled for D3 (e.g. KINE 1P90, KINE 1P93)

Students should plan their Fall/Winter schedule to ensure that they are only taking 5 courses each term. See examples below:

- **Recommended** (5 courses in the Fall and 5 courses in the Winter)

Fall term	Winter term
KINE 1P90	KINE 1P93
BIOL 1P91	BIOL 1P92
PSYC 1F90	
HIST 1P98	CLAS 1P91
GEOG 1F90	

- **Not Recommended** (4 courses in the Fall and 6 courses in the Winter)

Fall term	Winter term
	KINE 1P90
	KINE 1P93
BIOL 1P91	BIOL 1P92
PSYC 1F90	
HIST 1P98	CLAS 1P91
GEOG 1F90	

## How can I plan my courses?

Under your *Student Self Serve* in your portal there is a *Course Planning* feature. You can use this before registration opens to help plan your schedule. It will list the Course Code, Duration, Type of Course, Days and Times running as well as the Remaining Space available. If a class fills it will show you so you can plan an alternative ahead of time.

**"REMAINING SPACE" is subject to CHANGE. Please check this page frequently, spaces may not still be available when you register.**

## Context Credits

### *What are context credits? What counts as a context credit?*

In order to graduate you must successfully complete (pass) 1.0 credit (either 1 full credit course or 2 half credit courses) from each of the context areas: Humanities, Social Sciences and Science.

A list of courses which will satisfy the context credit requirements can be found on the Registrar's website:

<https://brocku.ca/contextcredits>

**NOTE:** You will be required to take **BIOL 1P91 and 1P92** in your first year as part of your program requirements. Successful completion of this course will satisfy the Science context credit requirement.

Another way to search for Context Credits is to go to **Course Planning** in your Student Portal. There, select *Undergraduate* from the **Course Type** drop down box. Then in the box on the right hand side of the screen click on **Context Courses** and then choose either *Humanities* or *Social Sciences* from the drop down box. Then click **Go**. This will provide you with a list of available courses that satisfy your Context Credits. When you hover over the course code the title of the course will be displayed.

## Electives

### *What are electives?*

Electives are courses which you can take in any subject area at Brock.

In first year, you should take an elective at the year 1 level (XXXX 1P00 - XXXX 1P99).

**NOTE:** In your upper years some electives must be taken at the 2P00+ level. Check the requirements for your degree program in the 2020-2021 Undergraduate Calendar.

## Program Requirements

The courses you are required to take in order to complete your degree and graduate are outlined in the Undergraduate Calendar.

Students should follow the program requirements in the Undergraduate Calendar corresponding to the year they entered their program. For you, this means you must follow the requirements for your program outlined in the **2020-2021 Undergraduate Calendar**. Even if the requirements change in later years, you **must** follow the requirements outlined in the 2020-2021 Undergraduate Calendar.

<https://brocku.ca/webcal/2020/undergrad/kine.html>  
<https://brocku.ca/webcal/2020/undergrad/phed.html>

BPhEd YEAR 1	
CREDIT VALUE	COURSES
0.5	<b>KINE 1P90</b> (SEE ADDITIONAL INFO) <i>Human Systems Anatomy</i>
0.5	<b>KINE 1P93</b> (SEE ADDITIONAL INFO) <i>Foundations of Movement Studies</i>
0.5	<b>KINE 1P98</b> (SEE ADDITIONAL INFO) <i>Musculoskeletal Anatomy</i>
0.5	<b>BIOL 1P91</b> (SEE ADDITIONAL INFO) <i>Introduction to Biology I</i>
0.5	<b>BIOL 1P92</b> (SEE ADDITIONAL INFO) <i>Introduction to Biology II</i>
1.0	<b>Humanities Context Credit</b> (see the <i>Content Credits</i> section of this Guide)
1.0	<b>Social Science Context Credit</b> (see the <i>Content Credits</i> section of this Guide)
0.5	<b>Elective</b> (see the <i>Electives</i> section of this Guide)

Students wishing to proceed to year 2 as a BPhEd major must have achieved:

- a minimum 65% major average;
- a minimum 65% in KINE 1P90;
- a minimum 65% in KINE 1P93;
- a minimum 60% non-major average; and
- a minimum 60% overall average

## ADDITIONAL INFORMATION:

- **KINE 1P90, KINE 1P93 & KINE 1P98:** These courses are only offered in one term. You will have KINE 1P98 in D2 and KINE 1P90 and KINE 1P93 in D3.
- **BIOL 1P91 & 1P92:** Registration for this course will open to BPhEd students on Saturday July 25<sup>th</sup> at 12:00am (July 24<sup>th</sup> at midnight). You should attempt to register in this course on this date/time. This date is subject to change. Please check Timetable listing for BIOL 1P91 (under the 'Notes' column) to determine when you can register in this course.

**Remember:** Make sure that you schedule yourself in 5 classes per term (see the *Durations* section of this Guide for more information).

You can find the full listing of the courses you are required to complete to earn a BPhEd degree in the *Physical Education* section of the 2020-2021 Undergraduate Calendar:

<https://brocku.ca/webcal/2020/undergrad/phed.html>

BKin YEAR 1	
CREDIT VALUE	COURSES
0.5	<b>KINE 1P90</b> (SEE ADDITIONAL INFO) <i>Human Systems Anatomy</i>
0.5	<b>KINE 1P98</b> (SEE ADDITIONAL INFO) <i>Musculoskeletal Anatomy</i>
0.5	<b>KINE 2P41</b> <i>Health Promotion and Policy</i>
0.5	<b>KINE 2P08</b> <i>Research Design and Evaluation</i>
0.5	<b>BIOL 1P91</b> (SEE ADDITIONAL INFO) <i>Introduction to Biology I</i>
0.5	<b>BIOL 1P92</b> (SEE ADDITIONAL INFO) <i>Introduction to Biology II</i>
1.0	<b>Humanities OR Social Sciences Context Credit</b> (see the <i>Content Credits</i> section of this Guide)
1.0	<b>Elective</b> (see the <i>Electives</i> section of this Guide)

Students wishing to proceed to year 2 as a BKin major must have achieved:

- a minimum 65% major average;
- a minimum 65% in KINE 1P90;
- a minimum 65% in KINE 1P98;
- a minimum 60% non-major average; and
- a minimum 60% overall average

## ADDITIONAL INFORMATION:

- **KINE 1P90, KINE 1P98:** These courses are offered once this year. You will have KINE 1P98 in D2 and KINE 1P90 in D3. You do not need to complete KINE 1P90 and KINE 1P98 before you take KINE 2P08 and 2P41, these are all introductory courses. KINE 2P08 and 2P41 are offered once each term. I recommend you take one each term to balance your schedule.
- **BIOL 1P91 & 1P92:** Registration for this course will open to BKin students on Saturday July 25th at 12:00am (July 24<sup>th</sup> at midnight). You should attempt to register in this course on this date/time. This date is subject to change. Please check Timetable listing for BIOL 1P91 & 1P92 (under the 'Notes' column) to determine when you can register in this course.

**Remember:** Make sure that you schedule yourself in 5 classes per term (see the *Durations* section of this Guide for more information).

You can find the complete outline of the courses you are required to complete to earn a BKin degree in the *Kinesiology* section of the 2020-2021 Undergraduate Calendar:

<https://brocku.ca/webcal/2020/undergrad/kine.html>

BSc (Kin) YEAR 1	
CREDIT VALUE	COURSES
0.5	<b>KINE 1P90</b> (SEE ADDITIONAL INFO) <i>Human Systems Anatomy</i>
0.5	<b>KINE 1P98</b> (SEE ADDITIONAL INFO) <i>Musculoskeletal Anatomy</i>
0.5	<b>BIOL 1P91</b> (SEE ADDITIONAL INFO) <i>Introduction to Biology I</i>
0.5	<b>BIOL 1P92</b> (SEE ADDITIONAL INFO) <i>Introduction to Biology II</i>
0.5	<b>MATH 1P97</b> <i>Calculus with Applications</i>
0.5	<b>PHYS 1P91</b> <i>Mechanics and Introduction to Relativity with Laboratory</i>
1.0	<b>Humanities Context Credit</b> (see the <i>Content Credits</i> section of this Guide)
1.0	<b>Social Science Context Credit</b> (see the <i>Content Credits</i> section of this Guide)

Students wishing to proceed to year 2 as a BKin major must have achieved:

- a minimum 65% major average;
- a minimum 65% in KINE 1P90;
- a minimum 65% in KINE 1P98;
- a minimum 60% non-major average; and
- a minimum 60% overall average

## ADDITIONAL INFORMATION:

- **KINE 1P90, KINE 1P98:** These courses are offered once this year. You will have KINE 1P98 in D2 and KINE 1P90 in D3.
- **BIOL 1P91 & 1P92:** Registration for this course will open to BScKin students on Saturday July 25<sup>th</sup> at 12:00am (July 24<sup>th</sup> at midnight). You should attempt to register in this course on this date/time. This date is subject to change. Please check Timetable listing for BIOL 1P91 & 1P92 (under the 'Notes' column) to determine when you can register in this course.

**Remember:** Make sure that you schedule yourself in 5 classes per term (see the *Durations* section of this Guide for more information).

You can find the complete outline of the courses you are required to complete to earn a BSc (Kin) degree in the *Kinesiology* section of the 2019-2020 Undergraduate Calendar:

<https://brocku.ca/webcal/2020/undergrad/kine.html>

# Registering for Courses

## Where can I get information on what I need to do/how to register for the Fall/Winter?

The **Brock 2020-2021 Year One Registration Guide and Timetable** is on the Registrar's website under the *Registration Guides and Timetables* section (see link below). All the information on the registration process that you will need can be found on this website including:

- The Fall/Winter Timetable
- Important dates and deadlines
- Info on how to read the Timetable, course codes, etc.
- Information on how to select courses (course availability, eligibility)
- Instructions on how to register through your Brock Portal
- Links on how to pay your tuition and fees
- Worksheets to help you plan your timetable and check for scheduling conflicts

<https://brocku.ca/registrar/guides-and-timetable/year-one-students>

## How do I go to register in my courses?

Registering for your courses is done online through your **Brock Portal**. Your Brock Portal is the hub where all information about your student record is kept.

You can find instruction on how to register for your courses through your Brock Portal on the Registrar's website:

<https://brocku.ca/registrar/guides-and-timetable/year-one-students/instructions>

To log into your Brock Portal visit:

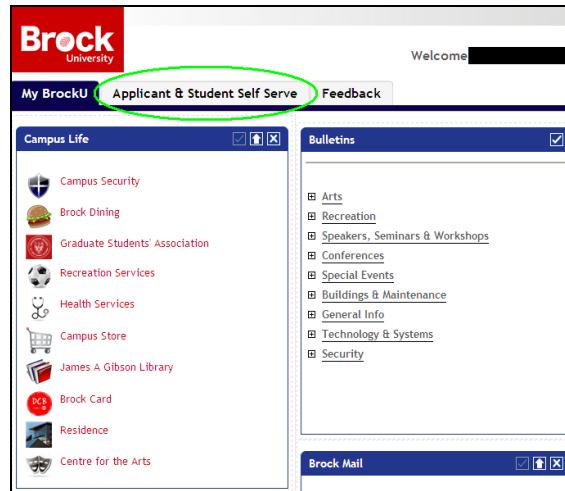

<https://my.brocku.ca>

If it is your first time visiting your Brock Portal you will need to activate your account by clicking *Applicant, New, Returning Student or Alumni* under the *Activate your Account* section. For a step-by-step guide on how to activate your account click on the *Account Activation* under the *Tutorials and Resources* section.

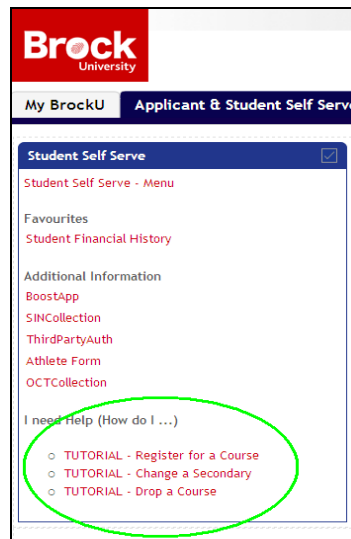

The screenshot shows the my.brocku.ca website. At the top left is the Brock University logo. To the right is a navigation menu with links: About Brock University, Academics, Admissions, Research, Services, and Contact Us. Below the navigation is a login form with fields for Campus ID and Password, and a Login button. There are also links for 'Forgot your student | Faculty/Staff password?'. Below the login form, there are several sections: 'Scheduled Maintenance' (Wednesday and Thursday from 6 to 8 a.m.), 'Collection Notice' (Brock University protects your privacy...), 'Activate your account' (with a link for 'Applicant, New, Returning Student or Alumni' circled in green), and 'Tutorials and Resources' (with a link for 'Account activation' circled in green).

Once you have entered your Campus ID and your password and logged in, click on the *Applicant & Student Self Serve* tab along the top of the screen.

The online tutorials under the *Student Self Service* area will show you exactly how to register for a course, change a secondary component (e.g. lab/tutorial/seminar), and how to drop a course.

## When can I register?

You can find the registration dates on the Registrar's website under the *Registration Guides and Timetables* section:

<https://brocku.ca/guides-and-timetables/dates/>

Registration for new first year students with no accumulated credits is **July 13<sup>th</sup>, 2020**. **Registration is a first-come-first-serve process**. Courses can and have been known to fill before the end of the registration period. **It's strongly recommended that you register for your courses on the first day that the registration system opens to you**. The registration system opens at **6am**.

First year KINE courses are 'reserved' for students in our degree programs (and a couple of others) for most of the registration period. However, on July 29, 2020 registration in KINE 1P90 and KINE 1P93 and KINE 1P98 will open to non-majors and any remaining spaces will likely be taken by students in other programs. Therefore, it is very important that you register for your courses early! Once a course is full it is very unlikely that any additional spaces will be added. Registration in BIOL 1P91 & 1P92 is initially reserved for students in the Biology Department and will be opened to BPhEd, BKin and BSc(Kin) on **July 24<sup>th</sup> at 12:00am**. This date is subject to change. Please check Timetable listing for BIOL 1P91 & 1P92 (under the 'Notes' column) to determine when you can register in this course.

**It is your responsibility to make sure that you register in the courses you need.** The Academic Advisor cannot register for you.

## What courses should I register for?

---

Check the *Program Requirements* section of this Guide for information on which courses you should select based on which program you are in.

## What if a lecture/seminar/tutorial/lab is full?

---

If a lecture/seminar/tutorial/lab is full choose another section if there is one available. Once you have registered for the course you can then keep checking your Brock Portal for scheduling updates to see if any spaces open up in the section you prefer.

If the course is a **MAJOR REQUIREMENT** (i.e. KINE 1P90, KINE 1P93, KINE 1P98) and on a **WAITLIST** please add yourself to the waitlist and then contact the Kinesiology Academic Advisor **by email only** ([kinadvisor@brocku.ca](mailto:kinadvisor@brocku.ca)) for information on your next steps.

Please be aware that if a required course is full there are likely many students in the same situation as you. We will take care of this situation as best we can, however this sometimes takes time. Please be patient. **ONLY EMAIL THE ACADEMIC ADVISOR ONCE WITH YOUR CONCERN.** (see the *Academic Advisor* section of this Guide for contact information).

If the course is a context credit or an elective start by selecting another context credit or elective that has space available. Once you have registered for the alternate course you can then keep checking your Brock Portal for scheduling updates to see if any space opens up in the course you prefer. If space opens up in the course you prefer register for that course and then immediately drop the alternate course you are currently registered in.

## What if I have a timetable conflict (e.g. 2 courses scheduled at the same time each week)?

---

Although first semester courses are online in the fall of this year some of them are scheduled as Synchronous courses. This means that you would need to be online at a specific time once a week. You cannot access two classes at once, therefore you should not be registered for two courses that are at the same time. Your grades will suffer, tests/midterms/exams may overlap and Professors are not supportive of this practice. This is NOT a good idea!!

Before registering for courses use the 2020-2021 Fall/Winter Timetable on the Registrar's website to create a 'mock' schedule that is free of conflicts. Remember that full credit courses (e.g. FREN 1F90) run for the whole academic year (September-April), whereas half credit courses (e.g. KINE 1P98, KINE 1P93) only run from either September-December (D2) or January-April (D3).

<https://brocku.ca/guides-and-timetables/registration/undergraduate>

You should try to create your 'mock' schedule well in advance of the date that the registration system opens to you to ensure that you are ready to select your courses as soon as the system opens.

Try your best to register for the course sections (lectures, labs, tutorials, etc.) that you plotted on your 'mock' schedule. However, if your preferred section is full register in another section that doesn't conflict with your other courses and still has spaces available. (See the *What if a lecture/seminar/lab is full?* section of this Guide for additional information).

If an elective course conflicts with a required course (e.g. KINE 1P93, KINE 1P98 etc.) then you have to choose a different elective, or choose a less desirable class time(s) to avoid the conflict.

**DO NOT REGISTER FOR 2 LECTURES/SEMINARS/TUTORIALS/LABS, ETC. THAT ARE SCHEDULED AT THE SAME TIME, REGARDLESS OF WHAT THE COURSES MIGHT BE.**

## What if I have technical difficulties or questions about how to register through my Brock Portal?

---

If you have technical difficulties (e.g. forgot your campus ID or password, problems accessing your Brock Portal), or have questions about how to register for courses through your Brock Portal (e.g. what to click on, what to type in different sections) please contact:

**Registration Help:**

[central@brocku.ca](mailto:central@brocku.ca)

or

[futurestudent@brocku.ca](mailto:futurestudent@brocku.ca)

**TECHNICAL HELP WITH REGISTRATION IS NOT AVAILABLE THROUGH THE KINESIOLOGY DEPARTMENT OR THE KINESIOLOGY ACADEMIC ADVISOR.**

## Academic Advisor

### How do I contact the Academic Advisor?

---

The Undergraduate Program Coordinator and Academic Advisor for the Kinesiology Department is **Katrina Bennie**. Her contact information is:

[kinadvisor@brocku.ca](mailto:kinadvisor@brocku.ca)

You can find additional information about how to contact the Academic Advisor online:

<https://brocku.ca/applied-health-sciences/kinesiology/student-resources/undergraduate-advising/#advising>

**NOTE:** During the months of June-October the Academic Advisor is dealing with over 1000 students. This is an extremely busy time of year! If you have an issue and require her assistance please **EMAIL HER ONLY ONCE FROM YOUR BROCK EMAIL ACCOUNT. PLEASE INCLUDE YOUR FULL NAME AND STUDENT NUMBER IN YOUR EMAIL.** Emails that do not contain this information, or are not sent from a Brock email account will not receive a reply. During peak times it may take the Academic Advisor 7 business days to respond to your email. If you receive an automatic reply email from the Academic Advisor this is confirmation that she has received your email and it is in the response queue. Please read the automatic response email thoroughly (and this Registration Guide) to find answers to your questions or concerns. Due to working remotely because of COVID-19 in person appointments are not available at this time. Most inquiries can be resolved through emails. If a meeting is required your advisor can schedule a meeting through Microsoft Teams, which you will have access to through your student portal.

## What should I NOT contact the Academic Advisor about?

---

- **Issues with courses in other departments (i.e. non-KINE courses)**

The Academic Advisor only administers KINE courses. If you have questions or concerns about a course in another department you should contact the Academic Advisor in the other department. A listing of the Departmental Academic Advisors is available online:

<https://brocku.ca/academic-advising/find-your-advisor/>

- **Technical difficulties with your Brock Portal**

All questions related to technical difficulties (e.g. forgot your campus ID or password, problems accessing your Brock Portal) should be directed to the Registration Help Service:

[central@brocku.ca](mailto:central@brocku.ca)

- **Questions about your financial account (paying tuition and fees)**

Information about your tuition and fees, including dates and instructions on how to pay your tuition and fees can be found on the Financial and Administrative Services website:

<http://brocku.ca/finance/students/undergraduate>

- **Questions about student financial assistance (e.g. OSAP, bursaries, scholarships)**

Information about government student assistance (e.g. OSAP), Brock bursaries and scholarships is available on the Student Awards & Financial Aid website:

<http://brocku.ca/safa>

- **Questions about what you will learn in your courses**

You can find descriptions for all courses in the Undergraduate Calendar:

<https://brocku.ca/webcal/2020/undergrad/>

- **Where to find contact information for Kinesiology Professors**

The Kinesiology Department website has an up to date listing of the contact information for all Faculty and Staff:

<https://brocku.ca/applied-health-sciences/kinesiology/faculty-research/faculty-directory/>

For all other departments consult the online Undergraduate Calendar.

## Start your Brock Experience Early

Brock offers a Transition Program during the summer, Smart Start. You'll meet fellow students, maximize your Brock experience, and learn all of the essential information to make the transition to university life before Orientation week. If you would like to find out more about the program go to:

<https://discover.brocku.ca/start/>

## Additional Resources

### Office of the Registrar (Brock Central)

---

The Office of the Registrar offers information on admissions, course information and registration, grade reporting and degree audit, academic advising, convocation, and issues official academic transcripts, among other services.

Website	<a href="http://brocku.ca/registrar">http://brocku.ca/registrar</a>
Contact	905-688-5550 x3052 <a href="mailto:central@brocku.ca">central@brocku.ca</a>
Location	Schmon Tower, 3 <sup>rd</sup> floor

### Student Accounts & Financial Aid

---

The Student Accounts & Financial Aid Office helps students fund their education through government and University assistance programs (e.g. government student loans including OSAP, bursaries), and recognizes student excellence (e.g. scholarships).

Website	<a href="http://www.brocku.ca/safa">http://www.brocku.ca/safa</a>
Contact	905-688-5550 x3052
Location	Schmon Tower, 3 <sup>rd</sup> floor

### Student Success Centre

---

The Student Success Centre offers many services to assist students with any issues they might encounter at University and helps students have a positive experience socially, personally, and academically while at Brock.

Services available through the Student Development Centre include:

- Aboriginal Student Services
- Leadership Programs
- Academic Zone Learning Services (academic and learning skills support)
- Services for Students with Disabilities
- Personal Counselling

Website	<a href="https://brocku.ca/student-success-centre/">https://brocku.ca/student-success-centre/</a>
Contact	905-688-5550 x4225
Location	Schmon Tower, 4 <sup>th</sup> floor

## Co-op, Career and Experiential Education

---

Career Services offers helpful information and resources to support students and alumni with creating and planning their career/further educations goals.

Website	<a href="https://brocku.ca/ccee/career-education/">https://brocku.ca/ccee/career-education/</a>
Contact	905-688-5550 x3242 <a href="mailto:career@brocku.ca">career@brocku.ca</a>
Location	Market Hall

## IT Services

---

Information Technology Services provides students with technology resources that support learning and research. Their services include computer and network support, high performance computing, and Brock Portal access.

Website	<a href="http://brocku.ca/information-technology">http://brocku.ca/information-technology</a>
Contact	905-688-5550 x4357
IT Requests	<a href="http://www.brocku.ca/information-technology/footprints/">http://www.brocku.ca/information-technology/footprints/</a>
Location	Mackenzie Chown Complex, F314

## Brock Campus Store (Bookstore)

---

In addition to Brock clothing and gear, computer and stationary supplies, and gifts, the Campus Store is a resources for purchasing new and used textbooks.

Website	<a href="http://www.bookstore.brocku.ca/">http://www.bookstore.brocku.ca/</a>
Contact	905-688-5550 x5583
Location	Plaza 2006

## Student Health Services

---

Student Health Services is a team of professionals with expertise in university health issues. They support students by providing confidential primary health care (i.e. doctors and nurses), prevention programs, wellness education and strategic medical/academic partnerships promoting optimal health and university success.

## Off-Campus Living

---

Brock's Off-Campus Living Office offers year-round housing information to students, landlords and residents in the Niagara region. The Office provides resources regarding a variety of off-campus housing topics, such as finding accommodations, landlord/tenant issues, and neighborhood relations.

Location | Alan Earp Residence, Main Lobby

## International

---

The International Programs Office offers students opportunities to study abroad at a partner university in another country while working towards their degree at Brock. Brock has exchange agreements with universities on 6 continents. Students can also take part in short-term international programs during their summer holiday or during Winter Reading Week.

Location | International Centre, Room 210

## Recreation

---

Recreation Services operate the facilities in the Walker Complex, including the gymnasium, recreational track, squash courts, Zone fitness centre, aquatic centre (pool) and the rowing centre, as well as the outdoor tennis courts and playing fields. They offer instructional programs (e.g. fitness, dance, pilates, first aid), memberships to the various fitness facilities (including the Zone and the pool) and organize the Brock intramural sports leagues.
