Recreation Services	41

General Information

The **Kinesiology Upper Year Registration Guide** contains important information that will assist you in registering for the 2017-2018 academic year. Be sure to review the information in this Guide carefully. This Guide is designed to provide you with program specific information to supplement the information in the **Brock 2017/18 Returning Students Registration Guide and Timetable** on the Registrar's website, which you should review thoroughly.

<https://brocku.ca/registrar/guides-and-timetable/returning-students>

Please review the course descriptions in the 2017-2018 Undergraduate Calendar to ensure that you know what courses you are registering for, and what the prerequisites and restrictions are for these courses.

<http://www.brocku.ca/webcal/>

You will be following the program requirements outlined in the Undergraduate Calendar corresponding to the year you were admitted to your current degree program. You will need to satisfy the program requirements outlined in this Calendar in order to graduate from your program.

NOTE: You should check your Program Requirement Year under the *Program Status* section of your Brock Portal to determine which version of the Undergraduate Calendar you should be following. If you changed into your current degree program after your first year your Program Requirement Year may not be the same as the year you were admitted to Brock University (i.e. your Regulation year). You should follow the program requirements outlined in the Undergraduate Calendar corresponding to your Program Requirement Year.

Overview **UG #1**

Bachelor of Kinesiology (Honours) Kinesiology

Status Open Entry Point 2010FW Admitted Full Time

Current Study Year 3 ~~Regulation Year 2010~~ **Program Requirements Year 2011**

Averages and Credits						
	Major	Non-Major	Minor	Brock	Transfer	Overall
Average (%)					0	
Credits	5.50	5.00	0.00	10.50	0.00	10.50

Breakdown of Brock credits (transfer credits are not included)				
Courses numbered	1x99 or less	2x00 to 2x89	2x90 to 3x89	3x90 or above
Credits achieved	6.00	2.00	2.50	0.00

Credit System and Durations

What is a credit vs. a course? How many courses do I have to take each year? How much is each course worth? How long will a course last?

Each course at Brock is worth either a full credit or a half credit. Students typically take 5.0 credits each year. A combination of full credit courses and half credit courses can be combined to total 5.0 credits. All of the degrees offered from the Kinesiology Department – BPhEd, BKin, and BSc(Kin) – are 20.0 credit degrees.

- **FULL CREDIT** = 1.0 credit
 - Denoted by an 'F' (i.e. 'full credit') in the course code. E.g. HLSC 2F95
 - Usually run for the entire Fall/Winter, beginning in September and ending in April
- **HALF CREDIT** = 0.5 credit
 - Denoted by a 'P' (i.e. 'partial credit') in the course code. E.g. KINE 2P08
 - Usually run for one term – a Fall term courses begins in September and ends in December; a Winter term course begins in January and ends in April

How long are the courses? When do they begin/end?

The Fall/Winter academic year at Brock begins in September and ends in April, and is divided into 3 possible terms, or 'durations'.

- **D1 = September – April** (aka 'Fall/Winter term')
 - Usually only full credit courses are scheduled for D1 (e.g. HLSC 2F95)
- **D2 = September – December** (aka 'Fall term')
 - Usually only half credit courses are scheduled for D2 (e.g. KINE 2P08, KINE 3P10)
- **D3 = January – April** (aka 'Winter term')
 - Usually only half credit courses are scheduled for D3 (e.g. KINE 2P08, KINE 3P10)

Students should plan their Fall/Winter schedule to ensure that they are only taking 5 courses each term. See examples below:

- **Recommended** (5 courses in the Fall and 5 courses in the Winter)

Fall term	Winter term
KINE 2F00	
KINE 2P08	KINE 2P05
KINE 2P84	KINE 2P09
KINE 2P41	ECON 2P10
FREN 1F90	

- **Not Recommended** (4 courses in the Fall and 6 courses in the Winter)

Fall term	Winter term
	KINE 2P08
	KINE 2P84
KINE 2F00	
KINE 2P05	KINE 2P09
KINE 2P41	ECON 2P10
FREN 1F90	

How can I plan my courses?

Under your **Student Self Serve** in your portal there is a **Course Planning** feature. You can use this before registration opens to help plan your schedule. It will list the Course Code, Duration, Type of Course, Days and Times running as well as the Remaining Space available. If a class fills it will show you so you can plan an alternative ahead of time.

The screenshot shows the 'Course Planning' page of the BrockDB system. The browser window title is 'Course Planning - Windows Internet Explorer' and the address bar shows 'https://my.brocku.ca/BrockDB/reg_CourseAvailStudent.aspx'. The page has a red header with 'BrockDB' and navigation links: 'LOGOUT | EXPORT | PRINT | ADD TO FAVOURITES | HELP'. On the left is a 'Page Search' sidebar with a search bar and a list of links including 'HOME', 'DegreeAudit', 'RegistrarTables', 'Timetable', 'Tutoring', 'AdditionalInfo', 'CrseCollection', 'DepartmentForms', 'EmployeeAccess', 'Faculty', 'ITSmenu', 'StudentAccess', 'Register', 'RequestATutor', 'StudentExams', 'TranscriptRqst', 'TutorApp&Status', 'CoursePlanning' (highlighted), 'CrsMarksInquiry', 'CurrentMarks', 'FeeCalculator', 'FinanceHistory', 'GradStuFunding', 'GraduationApp', 'ProgramStatus', 'ShowAlerts', 'StudentAddress', and 'StudentSchedule'. The main content area is titled 'Course Planning' and contains several form fields: 'Type' (dropdown), 'Session' (dropdown set to 'Fall/Winter'), 'Location' (dropdown set to 'All'), and two boxes separated by 'OR'. The first box contains 'Subject' and 'Course Number' fields. The second box contains 'Context Courses' (checkbox) and 'Faculty' (dropdown). Below these are 'Scheduled On' options: 'Mon (M)', 'Tues (T)', 'Wed (W)', 'Thurs (R)', 'Fri (F)', 'Sat (S)', 'Day (Before 1700)', 'Late Afternoon (1700 - 1900)', and 'Evening (1900 and Later)'. A 'Go' button is at the bottom right of the form. A red warning message states: '"REMAINING SPACE" is subject to CHANGE. Please check this page frequently, spaces may not still be available when you register.'

Electives

What are electives? What courses count as electives?

Electives are courses which you can take in any subject area at Brock.

Refer to the appropriate *Program Requirements* section of this Guide to determine how many electives you have room for in your timetable this year.

NOTE: A certain number of electives must be taken at the 2P00+ level or 3P90+ level. Check the requirements for your degree program in the appropriate Undergraduate Calendar.

Science Elective Credits (BSc(Kin) students only)

The following courses can be taken by BSc(Kin) students to fulfill the Science Elective Credit component of their degree.

APPLIED COMPUTING	
APCO 1P50	APCO 2P89
APCO 2P01	APCO 3P94
APCO 2P32	
BIOCHEMISTRY	
All BCHM	
BIOLOGICAL SCIENCES	
All BIOL, EXCLUDING <i>BIOL 1F25, 1P27, 2P97</i>	
BIOTECHNOLOGY	
All BTEC	
CHEMISTRY	
All CHEM, EXCLUDING <i>CHEM 1P00, SCIE 1P50, SCIE 1P51</i>	
COMMUNITY HEALTH SCI	
HLSC 3P09	HLSC 4P07
HLSC 3P19	HLSC 4P19
HLSC 3P51	HLSC 4P41
HLSC 3P90	HLSC 4P50
HLSC 3P91	HLSC 4P95
HLSC 3P93	HLSC 4P97
HLSC 3P97	HLSC 4P99
COMPUTER SCIENCE	
All COSC	

EARTH SCIENCE	
All ERSC, EXCLUDING <i>ERSC 1F90, ERSC 1P92, ERSC 1P93</i>	
ECONOMICS	
ECON 3P73	
GEOGRAPHY	
GEOG 1F91	GEOG 3P26

PSYC 3F81	PSYC 4P55
PSYC 3P39	PSYC 4P63
PSYC 3P59	PSYC 4P84
PSYC 3P67	PSYC 4P85
VISUAL ARTS	
VISA 2P96	

PHYSICS	
All PHYS EXCLUDING <i>PHYS 1P21, PHYS 1P22, PHYS 1P23, PHYS 1P91, ASTR 1P01, ASTR 1P02</i>	
KINESIOLOGY	
<i>Note: KINE courses that are required for your degree (e.g. KINE 1P90) cannot be counted Towards science elective credit requirements.</i>	
KINE 1P90	KINE 4P05
KINE 2P05	KINE 4P08
KINE 2P09	KINE 4P10
KINE 2P97	KINE 4P84
KINE 3P05	KINE 4P94
KINE 3P10	KINE 4P96
KINE 3P90	KINE 4P97
KINE 3P94	KINE 4P98
KINE 3P98	KINE 4P80
KINE 4P81	

Program Requirements

The courses you are required to take in order to complete your degree and graduate are outlined in the Undergraduate Calendar.

You should follow the program requirements in the Undergraduate Calendar corresponding to the year you entered your program.

You should check your Program Requirement Year under the *Program Status* section of your Brock Portal to determine which version of the Undergraduate Calendar you should be following. If you changed into your current degree program after your first year your Program Requirement Year may not be the same as the year you were admitted to Brock University (i.e. the Regulation year). You should

follow the program requirements outlined in the Undergraduate Calendar corresponding to your Program Requirement Year.

Overview **UG #1**

**Bachelor of Kinesiology (Honours)
Kinesiology**

Status Open
Entry Point 2010FW
Admitted Full Time

Current Study Year 3

~~Regulation Year 2010~~

Program Requirements Year 2011

Averages and Credits

	Major	Non-Major	Minor	Brock	Transfer	Overall
Average (%)					0	
Credits	5.50	5.00	0.00	10.50	0.00	10.50

Breakdown of Brock credits (transfer credits are not included)

Courses numbered	1x99 or less	2x00 to 2x89	2x90 to 3x89	3x90 or above
Credits achieved	6.00	2.00	2.50	0.00

Bachelor of Physical Education (BPhEd)

Year 2 (2016/2017 Entry)

BPhEd YEAR 2	
CREDIT VALUE	COURSES
1.0	KINE 2F00 <i>Fundamental Movement Skills</i>
0.5	KINE 2P05 <i>Foundations of Motor Behaviour</i>
0.5	KINE 2P08 <i>Research Design & Evaluations</i>
0.5	KINE 2P09 (SEE ADDITIONAL INFO BELOW) <i>Human Physiology</i>
0.5	KINE 2P41 <i>Health & Physical Activity Promotion</i>
0.5	KINE 2P84 <i>Human Growth & Motor Development</i>
1.5	Elective (see the <i>Electives</i> section)

Students wishing to proceed to year 3 as a BPhEd major must have achieved:

- a minimum 60% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **KINE 2P09:** You are required to register in KINE 2P09 in **D3 (Winter term)** as KINE 2P09 is a limited enrollment class and required for BKin and BSc(Kin) majors in D2.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your elective can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BPhEd degree in the *Physical Education* section of the 2016-2017 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2016/undergrad/phed.html>

PLEASE NOTE THAT KINE 2P00, 2P03 AND 2P06 HAVE BEEN CONDENSED INTO KINE 2F00 AND 2P00, 2P03 AND 2P06 ARE NO LONGER OFFERED. IF YOU HAVE TAKEN ONE OR MORE OF THE 2P00, 2P03, 2P06 SERIES PLEASE EMAIL ME AT KINADVISOR@BROCKU.CA TO SEE WHAT SUBSTITUTIONS CAN BE MADE.

Year 3 (2015/2016 Entry)

BPhEd YEAR 3	
CREDIT VALUE	COURSES
0.5	KINE 2P84 <i>Human Growth & Motor Development</i>
0.5	KINE 2P90 <i>Physiological Responses to Physical Activity</i>
0.5	KINE 2P91 <i>Social History of Physical Education & Sport</i> Or 3P70 <i>Sociology of Sport</i>
0.5	KINE 2P92 <i>Foundations in Adapted Physical Education & Disability Studies</i>
0.5	KINE 2P95 <i>Sport Psychology</i> Or KINE 2P85 <i>Psychology of Health Behaviours</i>
0.5	KINE 3P10 <i>Biomechanics</i>
0.5 (choose 1)	KINE 3P08 (SEE ADDITIONAL INFO BELOW) <i>Quantitative Analysis</i> -OR- KINE 3P18 (SEE ADDITIONAL INFO BELOW) <i>Qualitative Analysis</i>
1.0 (choose 2)	KINE 3P00 <i>Individual & Dual Formal Games</i> KINE 3P03 <i>Gymnastics</i> KINE 3P06 <i>Dance as Cultural Reflection</i> KINE 3P13 <i>Global Lifestyle Fitness Activities</i> -OR- RECL 3P26 <i>Outdoor & Environmental Education</i>
0.5	Elective (see the <i>Electives</i> section)

Students wishing to proceed to year 3 as a BPhEd major must have achieved:

- a minimum 60% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **KINE 3P32, KINE 4P32:** If you are planning to take either of these courses as your elective you **MUST** have a police check (with a vulnerable sector search) completed. The police check must be presented to your Professor on the first day of class (**no exceptions will be made**).

- **KINE 3P99, KINE 4P99, KINE 4F90, KINE 4F91:** You can apply for one or more of these Independent Study/Thesis courses with the Faculty member (i.e. Instructor) of your choice. The application form must be complete by the Faculty member and signed by both the student and Faculty member before being submitted to the Academic Advisor to be processed and signed by the Chair. Application forms are available at: <http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>. It is recommended that you contact the Faculty member you are interested in working with well in advance of the registration period so that you can submit your form at least 2 weeks before your registration date.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your electives can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BPhEd degree in the *Physical Education* section of the 2015-2016 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2015/undergrad/phed.html>

Year 4 (2014/2015 Entry)

BPhEd YEAR 4	
CREDIT VALUE	COURSES
0.5	KINE 4P93 <i>Physical Activity Across the Lifespan</i>
0.5	KINE 3P05 <i>Motor Learning</i>
0.5 (choose 1)	KINE 3P93 <i>Philosophy of Physical Education & Sport</i> -OR- KINE 4P11 (SEE ADDITIONAL INFO BELOW) <i>Sport Ethics</i>
0.5 (choose 1)	KINE 3P91 <i>Training Principles</i> KINE 4P00 <i>Team Formal Games</i> -OR- KINE 4P04 (SEE ADDITIONAL INFO BELOW) <i>Life Skills & Physical Activity</i>
1.5	Electives 3P90+ (SEE ADDITIONAL INFO) (see the <i>Electives</i> section)
1.5	Electives (see the <i>Electives</i> section)

The requirement to graduate from the BPhEd program with a **4-Year degree** are:

- a minimum 60% major average; and
- a minimum 60% overall average

The requirement to graduate from the BPhEd program with **Honours** are:

- a minimum 70% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **KINE 4F93:** KINE 4F93 is now KINE 4P93. Be sure to register in KINE 4P93 and take 1.5 3@90+ electives.
- **Electives 3P90+:** Any courses listed at 3a90+ can be used to satisfy this requirement. This includes all courses between 3P90-4P99.
- **KINE 3P32, KINE 4P32:** If you are planning to take either of these courses as your elective you **MUST** have a police check (with a vulnerable sector search) completed. The police check must be presented to your Professor on the first day of class (**no exceptions will be made**).
- **KINE 3P99, KINE 4P99, KINE 4F90, KINE 4F91:** You can apply for one or more of these Independent Study/Thesis courses with the Faculty member (i.e. Instructor) of your choice. The application form must be complete by the Faculty member and signed by both the student and Faculty member before being submitted to the Academic Advisor to be processed and signed by the Chair. Application forms are available at: <http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources> It is recommended that you contact the Faculty member you are interested in working with well in advance of the registration period so that you can submit your form at least 2 weeks before your registration date.
- **KINE 4P80, KINE 4P81:** You can apply to register in one or more of these Clinical Practice in Athletic Therapy courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- **KINE 4P82:** You can apply to register in the Practicum in Athletic Therapy course. Contact Joe Kenny (jkenny@brocku.ca) for additional information about the application process.
- **KINE 4F16 or KINE 4P12:** You can apply to register in one or more of these Practicum Courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- The 1.5 credit in electives at the 3P90+ level can be taken from within the Kinesiology Department (i.e. KINE courses) or outside of the Kinesiology Department. These electives can be taken from any combination of full (1.0) and half (0.5) credit courses. Students must successfully complete a minimum of 3.0 credits at the 3a90+ level in order to meet the requirements for graduation. Note that required courses (e.g. KINE 4P93) do count towards this requirement.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your electives can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BPhEd degree in the *Physical Education* section of the 2014-2015 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2014/undergrad/phed.html>

Bachelor of Kinesiology (BKin)

Year 2 (2016/2017 Entry)

BKin YEAR 2	
CREDIT VALUE	COURSES
0.5	KINE 2P05 <i>Foundations of Motor Behaviour</i>
0.5	KINE 2P09 (SEE ADDITIONAL INFO BELOW) <i>Human Physiology</i>
0.5	KINE 2P20 <i>Introduction to Nutrition</i>
0.5	KINE 2P84 <i>Human Growth & Motor Development</i>
0.5 (choose 1)	KINE 2P85 <i>Psychology of Health Behaviours</i> -OR- KINE 2P95 <i>Sport Psychology</i>
0.5 (choose 1)	KINE 2P91 <i>Social History of Physical Education & Sport</i> -OR- KINE 3P70 <i>Sociology of Sport I</i>
0.5	KINE 2P97 <i>Muscle Physiology & Exercise Metabolism</i>
0.5	KINE 3P08 <i>Quantitative Analysis</i>
0.5	KINE 3P10 <i>Biomechanics</i>
0.5	ELECTIVE

Students wishing to proceed to year 3 as a BKin major must have achieved:

- a minimum 60% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **KINE 2P09:** You are required to register in KINE 2P09 in **D2 (Fall term)** as it is a prerequisite for KINE 2P97 which will be offered D3 (Winter term). You should register for both of these courses during the registration period in July. If you do not successfully complete (i.e. pass) KINE 2P09 in D2 you will be automatically deregistered from KINE 2P97 in D3.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your elective can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BKin degree in the *Kinesiology* section of the 2016-2017 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2016/undergrad/pekn.html>

Year 3 (2015/2016 Entry)

BKin YEAR 3	
CREDIT VALUE	COURSES
0.5	KINE 3P02 <i>Fitness Assessment & Exercise Prescription</i>
0.5	KINE 3P05 <i>Motor Learning</i>
0.5	KINE 3P08 <i>Quantitative Analysis</i>
0.5	KINE 3P90 <i>Cardiorespiratory & Environmental Exercise Physiology</i>
0.5	KINE 3P91 <i>Training Principles</i>
0.5	KINE 3P94 <i>Motor Control</i>
0.5	KINE 4P10 <i>Clinical Biomechanics</i>
1.5	Elective

Students wishing to proceed to year 4 as a BKin major must have achieved:

- a minimum 60% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- Several students last year were unable to register in KINE 2P20, 3P08 and 3P10. If you were unable to register for these courses last year and took elective credits instead please ensure you complete KINE 2P20, 3P08 and 3P10 this year.
- If you did not take both your Humanities and Social Science Context credits in year one be sure to take your remaining context credit this year.
- **KINE 3P32, KINE 4P32:** If you are planning to take either of these courses as your elective you **MUST** have a police check (with a vulnerable sector search) completed. The police check must be presented to your Professor on the first day of class (**no exceptions will be made**).
- **KINE 3P99, KINE 4P99, KINE 4F90, KINE 4F91:** You can apply for one or more of these Independent Study/Thesis courses with the Faculty member (i.e. Instructor) of your choice. The application form must be complete by the Faculty member and signed by both the student and Faculty member before being submitted to the Academic Advisor to be processed and signed by the Chair. Application forms are available at: <http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>. It is recommended that you

contact the Faculty member you are interested in working with well in advance of the registration period so that you can submit your form at least 2 weeks before your registration date.

- **KINE 4P80, KINE 4P81:** You can apply to register in one or more of these Clinical Practice in Athletic Therapy courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- **KINE 4P82:** You can apply to register in the Practicum in Athletic Therapy course. Contact Joe Kenny (jkenny@brocku.ca) for additional information about the application process.
- **KINE 4F16 or KINE 4P12:** You can apply to register in one or more of these Practicum Courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your elective can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BKin degree in the *Kinesiology* section of the 2015-2016 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2015/undergrad/pekn.html>

Year 4 (2014/2015 Entry)

BKin YEAR 4	
CREDIT VALUE	COURSES
0.5	KINE 4P05 <i>Human Factors & Ergonomics</i>
0.5	KINE 4P10 <i>Clinical Biomechanics</i>
0.5	KINE 4P71 <i>Health Care Ethics for Kinesiologists</i>
1.5	KINE 3P90+ (SEE ADDITIONAL INFO BELOW)
2.0	Electives (see the <i>Electives</i> section)

The requirement to graduate from the BKin program with a **4-year degree** are:

- a minimum 60% major average; and
- a minimum 60% overall average

The requirement to graduate from the BKin program with **Honours** are:

- a minimum 70% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **KINE 3P90+:** You are required to take a 1.5 credits course within KINE at the 3P90+ level. This can be achieved by taking any combination of full credit (1.0) and half credit (0.5) courses. Any KINE course between 3P90-4P99 that is not a required course for the BKin program (i.e. KINE 3P90, KINE 3P94, KINE 4P10, KINE 4P71) can be used to satisfy this requirement.
- **KINE 3P32, KINE 4P32:** If you are planning to take either of these courses as your elective you **MUST** have a police check (with a vulnerable sector search) completed. The police check must be presented to your Professor on the first day of class (**no exceptions will be made**).
- **KINE 3P99, KINE 4P99, KINE 4F90, KINE 4F91:** You can apply for one or more of these Independent Study/Thesis courses with the Faculty member (i.e. Instructor) of your choice. The application form must be complete by the Faculty member and signed by both the student and Faculty member before being submitted to the Academic Advisor to be processed and signed by the Chair. Application forms are available at: <http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources> It is recommended that you contact the Faculty member you are interested in working with well in advance of the registration period so that you can submit your form at least 2 weeks before your registration date.
- **KINE 4P80, KINE 4P81:** You can apply to register in one or more of these Clinical Practice in Athletic Therapy courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- **KINE 4P82:** You can apply to register in the Practicum in Athletic Therapy course. Contact Joe Kenny (jkenny@brocku.ca) for additional information about the application process.
- **KINE 4F16 or KINE 4P12:** You can apply to register in one or more of these Practicum Courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your elective can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BKin degree in the *Kinesiology* section of the 2014-2015 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2014/undergrad/pekn.html>

Bachelor of Science (Kinesiology) (BSc(Kin))

Year 2 (2016/2017 Entry)

BSc(Kin) YEAR 2	
CREDIT VALUE	COURSES
0.5	KINE 2P05 <i>Foundations of Motor Behaviour</i>
0.5	KINE 2P08 <i>Research Design & Evaluations</i>
0.5	KINE 2P09 (SEE ADDITIONAL INFO BELOW) <i>Human Physiology</i>
0.5	KINE 2P84 <i>Human Growth & Motor Development</i>
0.5	KINE 2P20 <i>Introduction to Nutrition</i>
0.5 (choose 1)	KINE 2P85 <i>Psychology of Health Behaviours</i> OR KINE 2P95 <i>Sport Psychology</i>
0.5 (choose 1)	KINE 2P91 <i>Social History of Physical Education & Sport</i> -OR- KINE 3P70 <i>Sociology of Sport I</i>
0.5	KINE 2P97 <i>Muscle Physiology & Exercise Metabolism</i>
0.5	Elective Credit 2@00+
0.5	Science Elective Credit (see the <i>Science Elective Credits</i> section)

Students wishing to proceed to year 3 as a BSc(Kin) major must have achieved:

- a minimum 60% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **KINE 2P09:** You are required to register in KINE 2P09 in **D2 (Fall term)** as it is a prerequisite for KINE 2P97 which will be offered D3 (Winter term). You should register for both of these courses during the registration period in July. If you do not successfully complete (i.e. pass) KINE 2P09 in D2 you will be automatically deregistered from KINE 2P97 in D3.
- **BIOL 2P97: DO NOT** take BIOL 2P97 as a Science Elective Credit. You will not receive a grade (or credit) for this course if you have already completed KINE 1P90.

- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your Science Elective Credit can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BScKin degree in the *Kinesiology* section of the 2016-2017 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2016/undergrad/pekn.html>

Year 3 (2015/2016 Entry)

BSc(Kin) YEAR 3	
CREDIT VALUE	COURSES
0.5	KINE 3P02 <i>Functional Fitness Assessment & Exercise Prescription</i>
0.5	KINE 3P05 <i>Motor Learning</i>
0.5	KINE 3P08 <i>Quantitative Analysis</i>
0.5	KINE 3P10 <i>Biomechanics</i>
0.5	KINE 3P80 (previously 2P70) <i>Care & Prevention of Injuries</i>
0.5	KINE 3P90 <i>Cardiorespiratory & Environmental Exercise Physiology</i>
0.5	KINE 3P91 <i>Training Principles</i>
0.5	KINE 3P94 <i>Motor Control</i>
0.5	Science Elective Credit (see the <i>Science Elective Credits</i> section)
0.5	Electives (see the <i>Electives</i> section)

Students wishing to proceed to year 4 as a BSc(Kin) major must have achieved:

- a minimum 60% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **BIOL 2P97: DO NOT** take BIOL 2P97 as a Science Elective Credit. You will not receive a grade (or credit) for this course if you have already completed KINE 1P90.
- **KINE 3P32, KINE 4P32:** If you are planning to take either of these courses as your elective you **MUST** have a police check (with a vulnerable sector search) completed. The police check must be presented to your Professor on the first day of class (**no exceptions will be made**).

- **KINE 3P99, KINE 4P99, KINE 4F90, KINE 4F91:** You can apply for one or more of these Independent Study/Thesis courses with the Faculty member (i.e. Instructor) of your choice. The application form must be complete by the Faculty member and signed by both the student and Faculty member before being submitted to the Academic Advisor to be processed and signed by the Chair. Application forms are available at: <http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources> It is recommended that you contact the Faculty member you are interested in working with well in advance of the registration period so that you can submit your form at least 2 weeks before your registration date. **If you wish to have an Independent Study course count towards your Science Elective Credit you must obtain permission from the Department before registering for the course.** The content of the Independent Study must be predominantly science based. Please notify the Academic Advisor that you wish to have the course considered as a Science Elective Credit when you submit your application.
- **KINE 4P80, KINE 4P81:** You can apply to register in one or more of these Clinical Practice in Athletic Therapy courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- **KINE 4P82:** You can apply to register in the Practicum in Athletic Therapy course. Contact Joe Kenny (jkenny@brocku.ca) for additional information about the application process.
- **KINE 4F16 or KINE 4P12:** You can apply to register in one or more of these Practicum Courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your elective can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BKin degree in the *Kinesiology* section of the 2015-2016 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2015/undergrad/pekn.html>

Year 4 (2014/2015 Entry)

BSc(Kin) YEAR 4	
CREDIT VALUE	COURSES
0.5	KINE 4P05 <i>Human Factors & Ergonomics</i>
0.5	KINE 4P10 <i>Clinical Biomechanics</i>
0.5	KINE 4P71 <i>Health Care Ethics for Kinesiologists</i>
1.0 (choose 2)	KINE 4P08 <i>Nutritional Implications for Human Performance</i> KINE 4P94 <i>Neural Control of Balance & Gait</i> KINE 3P92 (previously 4P96) <i>Physiological Consequences of Spinal Cord Injury & Rehabilitation Techniques</i> KINE 4P97 <i>Regulation of Human Metabolism</i> -OR- KINE 4P98 <i>Principles of Physiological Signals & Instrumentation</i>
1.5	Science Elective Credit (see the <i>Science Elective Credits</i> section)
1.0	Electives 2P00+ (see the <i>Electives</i> section)

The requirement to graduate from the BSc(Kin) program with a **4-year degree** are:

- a minimum 60% major average; and
- a minimum 60% overall average

The requirement to graduate from the BSc(Kin) program with **Honours** are:

- a minimum 70% major average;
- a minimum 60% non-major average; and
- a minimum 60% overall average

ADDITIONAL INFORMATION:

- **BIOL 2P97: DO NOT** take BIOL 2P97 as a Science Elective Credit. You will not receive a grade (or credit) for this course if you have already completed KINE 1P90.
- **KINE 3P32, KINE 4P32:** If you are planning to take either of these courses as your elective you **MUST** have a police check (with a vulnerable sector search) completed. The police check must be presented to your Professor on the first day of class (**no exceptions will be made**).

The application form must be complete by the Faculty member and signed by both the student and Faculty member before being submitted to the Academic Advisor to be processed and signed by the Chair. Application forms are available at: <http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources> It is recommended that you contact the Faculty member you are interested in working with well in advance of the registration period so that you can submit your form at least 2 weeks before your registration

date. **If you wish to have an Independent Study course count towards your Science Elective Credit you must obtain permission from the Department before registering for the course.** The content of the Independent Study must be predominantly science based. Please notify the Academic Advisor that you wish to have the course considered as a Science Elective Credit when you submit your application.

- **KINE 4P80, KINE 4P81:** You can apply to register in one or more of these Clinical Practice in Athletic Therapy courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- **KINE 4P82:** You can apply to register in the Practicum in Athletic Therapy course. Contact Joe Kenny (jkenny@brocku.ca) for additional information about the application process.
- **KINE 4F16 or KINE 4P12:** You can apply to register in one or more of these Practicum Courses. Information on how to apply for these courses can be found online at <http://www.brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>.
- A maximum of 8.0 credits at the year 1 level (1P00-1P99) can be counted towards your degree requirements in order to graduate. Your elective can be taken at any level however you should review your student record to ensure that you have not exceeded this limit.

You can find the full listing of the courses you are required to complete to earn a BScKin degree in the *Kinesiology* section of the 2014-2015 Undergraduate Calendar:

<http://www.brocku.ca/webcal/2014/undergrad/pekn.html>

Registering for Courses

Where can I get information on what I need to do?

The **Brock 2017/18 Returning Students Registration Guide and Timetable** is available on the Registrar's website under the *Registration Guides and Timetables* section. All the information on the registration process that you will need can be found on this website including:

- The Fall/Winter Timetable
- Important dates and deadlines
- Info on how to read the Timetable, course codes, etc.
- Information on how to select courses (course availability, eligibility)
- Instructions on how to register through your Brock Portal
- Links on how to pay your tuition and fees
- Worksheets to help you plan your timetable and check for scheduling conflicts

<https://brocku.ca/registrar/guides-and-timetable/returning-students>

How do I register?

Registering for your courses is done online through your **Brock Portal**. Your Brock Portal is the hub where all information about your student record is kept.

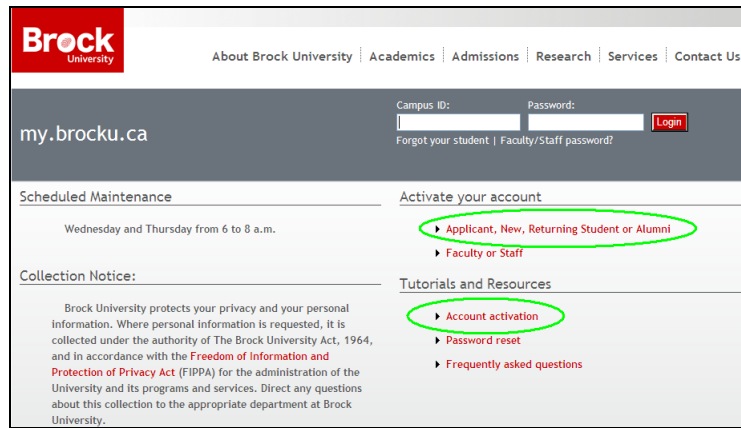

You can find instruction on how to register for your courses through your Brock Portal on the Registrar's website:

<https://brocku.ca/registrar/guides-and-timetable/returning-students/instructions>

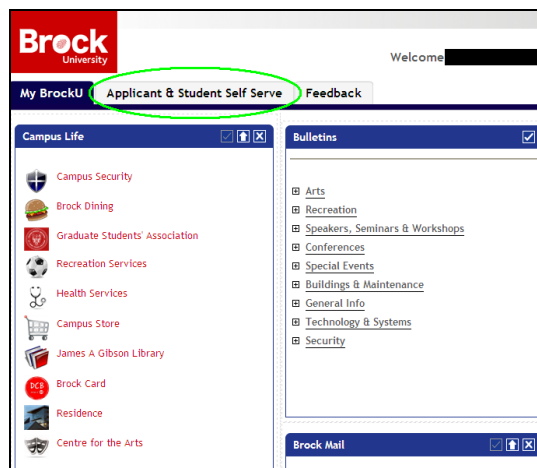

To log into your Brock Portal visit:

<https://my.brocku.ca>

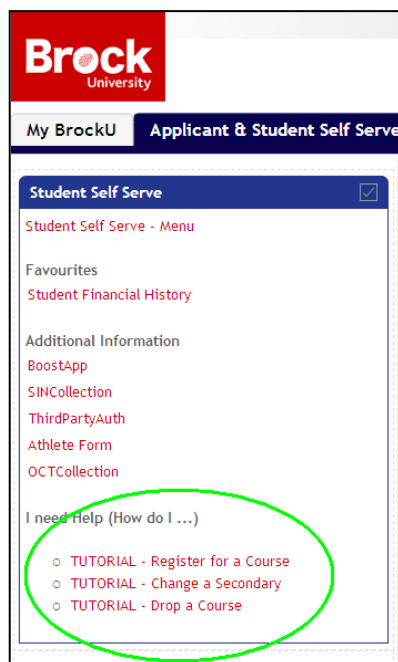

If it is your first time visiting your Brock Portal you will need to activate your account by clicking *Applicant, New, Returning Student or Alumni* under the *Activate your Account* section. For a step-by-step guide on how to activate your account click on the *Account Activation* under the *Tutorials and Resources* section.

Once you have entered your Campus ID and your password and logged in, click on the *Applicant & Student Self Serve* tab along the top of the screen.

The online tutorials under the *Student Self Service* area will show you exactly how to register for a course, change a secondary component (e.g. lab/tutorial/seminar), and how to drop a course.

When can I register?

You can find the registration dates on the Registrar's website under the *Registration Guides and Timetables* section:

<https://brocku.ca/registrar/guides-and-timetable/returning-students/whentoregister>

Your registration date is based on the number of credits you have accumulated as of **June 30, 2017**. You can determine the number of credits you've accumulated under the *Program Status* section in your Brock Portal. This is also where you can determine your Program Requirement Year which dictates which Undergraduate Calendar year you must follow for your degree requirements (see the *Program Requirements* section of this Guide).

Overview

UG #1

Bachelor of Kinesiology (Honours)

Kinesiology

Status Open

Entry Point 2010FW

Admitted Full Time

Current Study Year 3

Regulation Year 2010

Program Requirements Year 2011

Averages and Credits

	Major	Non-Major	Minor	Brock	Transfer	Overall
Average (%)						
Credits	5.50	5.00	0.00	10.50	0.00	10.50

Breakdown of Brock credits (transfer credits are not included)

Courses numbered	1x99 or less	2x00 to 2x89	2x90 to 3x89	3x90 or above
Credits achieved	6.00	2.00	2.50	0.00

Registration is a first-come-first-serve process. Courses can and have been known to fill before the end of the registration period. **It's strongly recommended that you register for your courses on the first day that the registration system opens to you.** The registration system opens at 6:00am.

Registration in KINE courses are 'reserved' for students in our degree program(s) for most of the registration period. For example, registration in KINE 2P09 is initially reserved for all BPhEd, BKin and BSc(Kin) students as it is a requirement for all three programs. However, KINE 2F00 is initially reserved only for BPhEd students as it is only a requirement for this one program (BKin and BSc(Kin) students must wait until registration opens to non-majors to try to register for this course). On dates later in the registration period the majority of KINE courses will open to non-majors. To determine the date registration in a specific course will open to non-majors please refer to the 'Notes' column on the online Timetable. As a quick reference you can also refer to the table below. Any remaining spaces will likely be taken by students in other programs on the date that registration opens to non-majors. Therefore, it is very important that you register for your courses early! Once a course is full it is very unlikely that any additional spaces will be added. **It is your responsibility to make sure that you register in the courses you need.** The Academic Advisor cannot register for you.

COURSE	REGISTRATION SCHEDULE
1P90/1P98	Open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd, NURS and RECL students initially. Opens to all other non-majors on July 20.
1P93	Open to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students initially. Opens to all other non-majors on July 20.
2F00	Open to BPhEd and BPhEd/Ed students initially. Opens to BKin and BSc(Kin) on July 17. Opens to all other non-majors on July 20.
2P84, 2P85, 2P92, 2P95	Open to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students initially. Opens to all other non-majors on July 20.
2P05, 2P08, 2P41, 2P91	Only open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd students. Not available to non-majors.
2P09	Open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd and NURS students initially. Opens to all other non-majors on July 20.
3P80	Open to BSc(Kin) students initially. Opens to BKin, BPhEd and BPhEd/BEEd students only on July 20.
2P90	Open to BPhEd and BPhEd/BEEd students initially. Opens to all other non-majors on July 20.
2P97	Open to BKin, BSc(Kin) and NEUR students initially. Opens to all other non-majors July 20.
3P00, 3P02, 3P03, 3P06, 3P08, 3P65, 3P70, 3P90, 3P91, 3P93, 3P95	Open to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students initially. Opens to all other non-majors on July 20.
3P05	Only open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd students. Not available to non-majors.
3P10	Open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd and NEUR students initially. Opens to all other non-majors on July 20.
3P32	Open to BPhEd and BPhEd/Ed students initially. Opens to BKin and BSc(Kin) on July 17. Opens to all other non-majors on July 20.
3P94	Open to BKin, BSc(Kin) and NEUR students initially. Opens to BPhEd and BPhEd/BEEd students on July 20.
3P99	Independent Study/Thesis course. Only available to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students. Special permission from Department required. . See Kinesiology website: http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources
4F90, 4F91	Independent Study/Thesis course. Only available to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students. Special permission from Department required. See Kinesiology website: http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources
4P93, 4P00, 4P02, 4P08, 4P31, 4P60, 4P71, 4P84, 4P85, 4P91, 4P96, 4P97	Open to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students initially. Opens to all other non-majors on July 20.
4P05	Open to BKin and BSc(Kin) initially. Opens to BPhEd, BPhEd/BEEd, HLSC, CHLH, HLSC and PHTH students on July 17. Opens to all other non-majors on July 20.

4P10, 4P94	Open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd and NEUR students initially. Opens to all other non-majors on July 20.
4P22	Only open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd students. Not available to non-majors.
4P32	Open to BPhEd and BPhEd/BEEd students initially. Opens to all other non-majors on July 20.
4P80, 4P81, 4P82	Only open to BKin, BSc(Kin), BPhEd, BPhEd/BEEd students. Not available to non-majors. Special permission from Instructor required to register. Contact instructor J. Kenny.
4P99	Independent Study/Thesis course. Only available to BKin, BSc(Kin), BPhEd, and BPhEd/BEEd students. Special permission from Department required. See Kinesiology website: http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources

What courses should I register for?

Check the *Program Requirements* section of this Guide for information on which courses you should select based on your program and year.

What if a lecture/seminar/tutorial/lab for a REQUIRED COURSE is full?

If a lecture/seminar/tutorial/lab is full choose another section if one available, even if it is not at your preferred time. Once you have registered for the course you can then keep checking your Brock Portal for scheduling updates to see if any spaces open up in the section you prefer.

If the course is a **MAJOR REQUIREMENT** (e.g. KINE 2P05, KINE 3P08, KINE 3P10, etc.) and on a **WAITLIST** please add yourself to the waitlist and check your Brock email regularly for contact from the Kinesiology Advisor.

Please be aware that if a required course is full there are likely many students in the same situation as you. We will take care of this situation as best we can, however this sometimes takes time.

Please be patient. **ONLY EMAIL THE ACADEMIC ADVISOR ONCE WITH YOUR CONCERN.** (see the *Academic Advisor* section for contact information).

What if a lecture/seminar/tutorial/lab for a NON-REQUIRED COURSE (elective) is full?

If the course is an elective start by selecting another elective that has space available. Once you have registered for the alternate course you can then keep checking your Brock Portal for scheduling updates to see if any spaces open up in the course you prefer. If space opens up register for your preferred course and then immediately drop the alternate course you are currently registered in.

There are many KINE course that are not required in any of the three degree programs in the Kinesiology Department but are offered as electives to all BPhEd, BKin and BSc(Kin) students provided they meet the prerequisites (e.g. KINE 2P01). Also, some students choose to take KINE courses that are not a requirement for their degree as electives, but are a requirement for another of our degrees (e.g. KINE 3P00, KINE 3P03, and KINE 3P06 can be taken by BKin and BSc(Kin) students as electives). If you have decided to take a KINE course that is not a requirement for your degree program it is considered an elective. (If you are trying to take all KINE course this year see the *Why isn't the system allowing me to register in all KINE courses?* section of this Guide for more information). If a KINE course you are taking as an elective is full you may have to take it next year and choose a different elective this year instead. Additional spaces are not usually added to these courses.

If an elective in another department is full or on a waitlist, contact the Academic Advisor in the appropriate department. **The Kinesiology Academic Advisor cannot assist you with courses in other departments.** A list of the Academic Advisors in other department at Brock is available at:

<http://brocku.ca/registrar/advising/departmental-adviser-contact>

What if I don't have the prerequisites/minimum number of credits for a course I want to register in?

Prerequisites and restrictions for KINE courses are outlined in the Undergraduate Calendar:

<http://www.brocku.ca/webcal/2017/undergrad/kine.html>

Example:

<p>PEKN 3P13 Global Lifestyle Fitness Activities Theoretical and applied principles related to low and high impact activities. <i>Lectures, lab, 3 hours per week.</i> Restriction: open to BPhEd, BPhEd (Honours)/BEd (Intermediate/Senior), BPhEd (Honours)/BEd (Junior/Intermediate), BKin and BSc (Kin) majors until date specified in Registration guide. Students must have a minimum of 9.0 overall credits. Prerequisite(s): PEKN 2P05 or permission of the instructor. Note: lab fee required; consult Department. Transportation is a student responsibility. Modes of instruction/evaluation will normally include vigorous physical activity.</p>
--

If you have not satisfied the prerequisites or met the restrictions for a KINE course you are not eligible to register in that course. If you register for a course for which you do not have the prerequisites **you will be automatically deregistered from the course.**

Please review the *Deregistration* section of the Registrar's website for additional information:

<http://brocku.ca/registrar/guides-and-timetable/returning-students/deregistration>

You will not be able to register in a D1 or D2 courses for which you do not have the prerequisites and/or have not completed the minimum number of credits without permission from the Instructor. Please contact the Instructor directly to request permission. You can find the contact information for Instructors in the Kinesiology Department on the Department's website:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/faculty-staff-2>

If you have not met the prerequisites or minimum credit requirements for a course outside of the Kinesiology department (i.e. not a KINE course) you should contact the Academic Advisor in the appropriate department for instructions on how to proceed. **Do not contact the Kinesiology Academic Advisor for any courses that are not KINE course.** A listing of Academic Advisors by department is available on the Registrar's website:

<http://brocku.ca/registrar/advising/departmental-adviser-contact>

How do I apply for a course that requires the Instructor's approval?

The following courses require approval from the Instructor before you can register:

- KINE 3P99
- KINE 4P99
- KINE 4P90/4F91
- KINE 4F32
- KINE 4P80
- KINE 4P81
- KINE 4P82

- KINE 4P89

KINE 3P99, 4P99, 4F90, 4F91: These are **Independent Study/Thesis** courses that require permission from the Instructor. For more information see the *What if I want to do an Independent Study course or Thesis?* section of this Guide. It is your responsibility to contact a Faculty member(s) who you are interested in working with to determine if they are able to supervise your Independent Study/Thesis. You should contact Faculty members who work in an area of research/study that interests you and that you are interested in exploring for an Independent Study. For a listing of the area of research/study for the Faculty members in the Kinesiology Department visit the Department's website:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/faculty-staff-2>

Once you have found a Faculty member willing to supervise you for an Independent Study/Thesis you must complete the application form in consultation with the Faculty member. The completed application (which must include your signature and the Faculty member(s)' signature) must be submitted to the Undergraduate Coordinator/Academic Advisor – Katrina Bennie – to be processed and signed by the Chair of the Department. Once your application has been processed you will be

notified by email that an override for the course has been entered for you. **You must register for the course through your Brock Portal once the override has been entered.** The application form is available on the Department's website:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>

KINE 4P89: This is an **Internship in Clinical Kinesiology** that requires permission from the Instructor, a major average of 75% and a placement (that the student must find) of 50 hours in a clinical setting under the supervision of a Health Professional. For more information see the *What if I want to do an Independent Study course or Thesis?* section of this Guide. It is your responsibility to contact a Faculty member(s) who you are interested in working with to determine if they are able to supervise your Internship. You should contact Faculty members who work in an area of research/study that interests you and that you are interested in exploring for an Internship. For a listing of the area of research/study for the Faculty members in the Kinesiology Department visit the Department's website:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/faculty-staff-2>

Once you have found a Faculty member willing to supervise you for an Internship you must complete the application form in consultation with the Faculty member and the Clinical Supervisor. The completed application (which must include your signature and the Faculty member(s)' signature and the Clinicians signature) must be submitted to the Undergraduate Coordinator/Academic Advisor – Katrina Bennie – to be processed and signed by the Chair of the Department. Once your application has been processed you will be notified by email that an override for the course has been entered for you. **You must register for the course through your Brock Portal once the override has been entered.** The application form is available on the Department's website:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>

KINE 4P80, 4P81: These are the **Clinical Practices and Assessments in Athletic Therapy** courses. Successful completion of KINE 2P70 (Care and Prevention of Injuries) is a prerequisite for these courses. To apply for KINE 4P80 and KINE 4P81 you must complete an application form and submit it to Joe Kenny for consideration. If your application is accepted you will be notified by email that an override for the course has been entered for you. **You must register for the course through your Brock Portal once the override has been entered.** The application form is available on the Department's website:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/student-resources>

KINE 4P82: This is the **Practicum in Athletic Therapy** course. A minimum final grade of 75% in KINE 3P80 (Care and Prevention of Injuries) is a prerequisite for this course. To apply for KINE 4P82 contact Joe Kenny.

What if I want to do an Independent Study course or a Thesis?

Independent Study and Thesis and Internship courses include:

- KINE 3P99
- KINE 4P99
- KINE 4P89
- KINE 4F90/4F91

These courses are designed to meet students' special academic interests in a topic/area of study in Physical Education and/or Kinesiology by completing independent work under the direction of a Faculty member who has an interest or specialty in the same area. Course content and the evaluation protocol are determined individually between the student and Faculty member.

It is your responsibility to contact a Faculty member(s) who you are interested in working with to determine if they are able to supervise your Independent Study/Thesis.

These courses can either count towards satisfying requirements for courses at the 3P90+ level, or satisfying electives.

For BSc(Kin) students only: If you wish to have an Independent Study course count towards your Science Elective Credit requirements you must obtain permission from the Department before registering for the course. The content of the Independent Study/Thesis must be predominantly science based. Please notify the Undergraduate Coordinator/Academic Advisor that you wish to have the course considered as a Science Elective Credit when you submit your application.

For more information on how to apply for an Independent Study or Thesis see the *How do I apply for a course that requires the Instructor's approval?* section of this Guide.

What if I need to retake a class because I failed or dropped it last year?

To graduate with your BPhEd, BKin or BSc(Kin) degree you **must successfully complete (pass) 20.0 credits**. These credits are a combination of:

- i. Major required KINE courses
- ii. Context credits
- iii. Elective credits

When a course is repeated (e.g. taking KINE 1P90 a second time) the most recent grade will always replace the previous grade regardless of whether it is higher or lower than the previous grade. A course may only be repeated once.

For more information please review the Repeating a Course policies in the Undergraduate Calendar:

<https://brocku.ca/webcal/2017/undergrad/areg.html#sec23>

- **FAILED/DROPPED MAJOR REQUIRED KINE COURSES:**

ALL specified major required courses must be taken and successfully completed (passed). If you drop or fail a major required course you must repeat the same course and pass it in order to satisfy the requirement.

- **FAILED/DROPPED NON-MAJOR COURSES (electives, context credits):**

If you fail or drop a non-major course (elective, context credit) you must either:

a) Take the exact same course again and pass it;

-OR-

b) Take another course(s) of equal credit value to replace it (e.g. if you need to replace a full credit course you can either take another full credit course or 2 half credit courses)

If you have failed a course and you choose not to repeat exactly the same course but rather choose to satisfy the requirement by taking a different course(s) the failed course grade will still factor into your average. The only way to not have a grade used in the calculation of your average is to **take exactly the same course again and pass it.**

What if I still need to complete a Context Credit?

You must select and successfully complete (pass) a Context Credit from the lists in the Undergraduate Calendar (see link below) before you will be permitted to graduate.

<https://brocku.ca/webcal/2017/undergrad/areg.html#sec28>

What if I have a timetable conflict (e.g. 2 courses scheduled at the same time each week)?

You cannot be in two places at once, therefore you should not be registered for two courses that are at the same time. Your grades will suffer, tests/midterms/exams may overlap and Professors are not supportive of this practice. This is NOT a good idea!!

Before registering for courses use the 2017-2018 Fall/Winter Timetable on the Registrar's website (<https://brocku.ca/registrar/guides-and-timetable>) to create a 'mock' schedule that is free of conflicts. Remember that full credit courses (e.g. HLSC 2F95) run for the whole academic year

(September-April), whereas half credit courses (e.g. KINE 2P08) only run from either September-December (D2) or January-April (D3).

You should try to create your 'mock' schedule well in advance of the date that the registration system opens to you to ensure that you are ready to select your courses as soon as the system opens.

Try your best to register for the course sections (lectures, labs, tutorials, etc.) that you plotted on your 'mock' schedule. However, if your preferred section is full register in another section that doesn't conflict with your other courses and still has spaces available. (See the *What if a lecture/seminar/lab is full?* section of this Guide for additional information).

If an elective course conflicts with a required course (e.g. HLSC 2F95, KINE 2P05, KINE 3P10, etc.) then you have to choose a different elective, or choose a less desirable class time(s) to avoid the conflict.

DO NOT REGISTER FOR 2 LECTURES/SEMINARS/TUTORIALS/LABS, ETC. THAT ARE SCHEDULED AT THE SAME TIME, REGARDLESS OF WHAT THE COURSES MIGHT BE.

Why isn't the system allowing me to register in all KINE courses?

The registration system will only allow students to register in 9.5 credits from one department. Therefore you will not be able to register in all KINE courses. Students should try to have one 0.5 elective credit from outside the department each year. If you want to attempt to take all KINE credits you must obtain permission from the Dean of the Faculty. Permission for this will only be considered if you have completed all your Context Credits, first year required courses and electives. To request this email the advisor.

ONLY EMAIL THE ACADEMIC ADVISOR ONCE WITH YOUR CONCERN. BE SURE TO INCLUDE YOUR FULL NAME AND STUDENT NUMBER IN YOUR EMAIL.

What if I want to take more than 5.0 credits?

You can determine the maximum number of credits you are allowed to register in during the Fall/Winter term through your Brock Portal (under *Program Status* – see below):

Overview | **UG #1**

Bachelor of Physical Education (Honours)
Physical Education

Status Open
Entry Point 2011FW
Admitted Full Time

Current Study Year 1 Regulation Year 2011 Program Requirements Year 2011

Averages and Credits						
	Major	Non-Major	Minor	Brock	Transfer	Overall
Average (%)	████	████	████	████	████	████
Credits	1.00	3.00	0.00	4.00	0.00	4.00

Breakdown of Brock credits (transfer credits are not included)				
Courses numbered	1x99 or less	2x00 to 2x89	2x90 to 3x89	3x90 or above
Credits achieved	4.00	0.00	0.00	0.00

Business, Education and Applied Health Science credits = 1.00

Please check applicable Undergraduate Calendar to ensure that all completed courses may be used towards your program.

Maximum courses per session

The following list identifies the maximum courses you are permitted to register for, broken down by session. Please note: Fall/Winter refers to the full session beginning September through April. Fall Term refers to the September-December session.

Fall/Winter session = 6.00 credits	Fall term = 3.50 credits
Spring session = 2.00 credits	Spring term = 1.00 credits
Summer session = 1.00 credits	

Core & Context Requirements

Humanities = Not Satisfied	Social Science = Satisfied	Science = Satisfied
----------------------------	----------------------------	---------------------

If you wish to register in more credits that specified on your Brock Portal you must request permission. To request permission send an email to the Kinesiology Academic Advisor (kinadvisor@brocku.ca) outlining the number of credits you would like to register for, what your proposed schedule will be (i.e. simply which courses you plan to take in the Fall term and courses you plan to take in the Winter term), and why you are requesting to take more than the number of credits you have been preapproved for. Please note that permission is granted at the discretion of the Department and Faculty based on the number of credits you have successfully completed and your academic performance (grades) to date. Your email should be received at least 2 weeks prior to your registration date. **ONLY EMAIL THE ACADEMIC ADVISOR ONCE WITH YOUR CONCERN. BE SURE TO INCLUDE YOUR FULL NAME AND STUDENT NUMBER IN YOUR EMAIL.**

What if I want to take less than 5.0 credits?

The BPhEd, BKin and BSc(Kin) degrees are all 20.0 credit degrees. Generally students take 5.0 credits each Fall/Winter session for 4 years to complete their degree requirements to graduate. Please be aware that **taking less than 5.0 credits during the 2017-2018 Fall/Winter session may impact your degree progression (i.e. you may be required to stay longer at Brock beyond the 'traditional' 4 years in order to complete your degree requirements).** Additionally, some of the required KINE courses listed for your year of study are prerequisites for required KINE courses next year. You should check your program requirements in the appropriate Undergraduate Calendar to ensure that you are registering in the

KINE courses this year that are prerequisites for the required KINE course you will need to take next year.

You are welcome to take less than 5.0 credits in order to reduce your course load. Some students choose to take course(s) during the Spring/Summer session in order to 'catch up' or 'get ahead' if they take less than 5.0 credits during the Fall/Winter. As well, some students choose to complete their degree in more than the 'traditional' 4 years.

If you decide that you want to take less than 5.0 credits you do not need special permission or approval. Simply register for the number of credits that you wish to take during the 2017-2018 Fall/Winter session on your Brock Portal during the registration period. However, please keep the following in mind:

- **Student Status considerations (part-time vs. full-time status):**
 - Full time student: enrolled in 3.0 or more credits over the Fall/Winter session
 - Part-time student: enrolled in less than 3.0 credits over the Fall/Winter session.

<https://brocku.ca/webcal/2017/undergrad/areg.html#sec15>

- **Tuition and Fee considerations:**

Visit the **Financial Services** website to determine the tuition and fees you will be charged based on the number of credits you register in for the 2017-2018 Fall/Winter session (under the *Tuition and Related Fees* section of the website).

<http://www.brocku.ca/finance/students/undergraduate>

- **Government Student Financial Assistance, Scholarship and Bursary considerations:**

The number of credits you enroll in can have a **SERIOUS IMPACT** on any government student financial assistance (e.g. OSAP), scholarships, or bursaries you have applied for/are receiving. If you have applied for/are receiving any type of student financial assistance you should contact the **Student Awards and Financial Aid Office** before you decide to register for a reduced course load.

<http://brocku.ca/safa>

What if I want to do a minor?

Requirements for Minor programs are listed by department in the Undergraduate Calendar. Please contact the Academic Advisor in the appropriate department for more information about their program and to determine how to declare a Minor. **The Kinesiology Department does NOT offer Minors.**

Do I have to apply to 4th year?

You do not have to apply to 4th year. The BPhEd, BKin, and BSc(Kin) are all 4 year programs.

What's the difference between an Honours degree and a 4-Year Degree? How do I get Honours?

There is no difference in the courses you are required to take in order to receive an Honours degree or a 4-Year degree in your program. The differences between these two degree are based solely on your grades:

- **Honours:** You will graduate with an Honours degree if on the day your last grade is entered you have:
 - a **MAJOR AVERAGE** of at least 70%;
 - a **NON-MAJOR AVERAGE** of at least 60%; and
 - an **OVERALL AVERAGE** of at least 60%

If you did not achieve one or more of these requirements you will not receive an Honours degree.

- **4-Year Degree:** You will graduate with a 4-Year degree if on the day your last grade is entered you have:
 - a **MAJOR AVERAGE** between 60-69.4%;
 - a **NON-MAJOR AVERAGE** of at least 60%; and
 - an **OVERALL AVERAGE** of at least 60%

What if I have technical difficulties or questions about how to register through my Brock Portal?

If you have technical difficulties (e.g. forgot your Campus ID, forgot your password, problems accessing your Brock Portal), or have questions about how to register for courses through your Brock Portal (e.g. what to click on, what to type in different sections) please contact:

Registration Help:

905-688-5550 x3052

records@brocku.ca

TECHNICAL HELP WITH REGISTRATION IS NOT AVAILABLE THROUGH THE KINESIOLOGY DEPARTMENT OR THE KINESIOLOGY ACADEMIC ADVISOR.

Academic Advisor

How do I contact the Academic Advisor?

The Undergraduate Program Coordinator and Academic Advisor for the Kinesiology Department is **Katrina Bennie**. Her contact information is:

kinadvisor@brocku.ca

905-688-5550 x3855

You can find additional information about how to contact the Academic Advisor online:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/undergraduate-program-coordina>

NOTE: During the months of June-October the Academic Advisor is dealing with over 1,000 students. This is an extremely busy time of year! If you have an issue and require her assistance please **EMAIL HER ONLY ONCE FROM YOUR BROCK EMAIL ACCOUNT. PLEASE INCLUDE YOUR FULL NAME AND STUDENT NUMBER IN YOUR EMAIL.** Emails that do not contain this information, or are not sent from a Brock email account will not receive a reply. During peak times it may take the Academic Advisor 10 business days to respond to your email. If you receive an automatic reply email from the Academic Advisor this is confirmation that she has received your email and it is in the response queue. Please read the automatic response email thoroughly (and this Registration Guide) to find answers to your questions or concerns.

During peak times (May-October) the Academic Advisor limits the number of in-person appointments available. Quite often your questions/concerns can be answered via email. If the Academic Advisor feels there is a need for an in-person appointment she will contact you via email.

What should I **NOT** contact the Academic Advisor about?

- Issues with courses in other departments (i.e. non-KINE courses)

The Academic Advisor only administers KINE courses. If you have questions or concerns about a course in another department you should contact the Academic Advisor in the other department. A listing of the Departmental Academic Advisors is available online:

<http://brocku.ca/registrar/advising/departmental-adviser-contact>

- **Technical difficulties with your Brock Portal**

All questions related to technical difficulties should be directed to the Registration Help Service:

905-688-5550 x3052
records@brocku.ca

- **Questions about your financial account (paying tuition and fees)**

Information about your tuition and fees, including dates and instructions on how to pay your tuition and fees can be found on the Financial and Administrative Services website:

<http://brocku.ca/finance/students/undergraduate>

- **Questions about student financial assistance (e.g. OSAP, bursaries, scholarships)**

Information about government student assistance (e.g. OSAP), Brock bursaries and scholarships is available on the Student Awards and Financial Aid website:

<http://brocku.ca/safa>

- **Questions about what you will learn in your courses**

You can find descriptions for all courses in the Undergraduate Calendar:

<https://brocku.ca/webcal/2017/undergrad/>

- **Where to find contact information for Kinesiology Professors**

The Kinesiology Department website has an up to date listing of the contact information for all Faculty and Staff:

<http://brocku.ca/applied-health-sciences/academic-departments/kinesiology/faculty-staff-2>

For all other departments consult the online Undergraduate Calendar or call 905-688-5550 and ask to be connected directly to a department or specific individual.

Post Graduation Education Options

- **BACHELOR OF EDUCATION ('TEACHERS' COLLEGE')**

For detailed information on admission requirements for **Bachelor of Education (BEd) programs at Ontario Universities** (i.e. ‘teacher’s college’) refer to the Ontario University Teacher Education Application (TEAS) website (the Instruction Booklet outlines the specific admission requirements for each program/University). **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

<http://www.ouac.on.ca/teas/>

For **international Bachelor of Education programs** visit the Career Services website or make a point to visit their information booths which are set up around campus throughout the year.

If you are interested in applying for a BEd program you will usually need to complete the requirements for 2 teachable subjects if you want to be qualified to teach at the Intermediate/Senior level (high school) and 1 teachable subject if you want to be qualified to teach at the Junior/Intermediate (middle school) level. If you wish to apply for the Intermediate/Senior level you will usually need to complete 5.0 credits in your first teachable subject and 3.0 credits in your second teachable subject. Although the requirements for a second teachable can be achieved by taking a minor, you do not necessarily have to complete a minor to earn these 3.0 credits. This can be achieved by taking the appropriate courses as electives to fulfill the admission requirements for your second teachable (refer to the TEAS website). If you wish to do a minor refer to the *What if I want to do a minor?* section of this Guide. **If you have questions about meeting the requirements for a teachable subject you should contact the Faculty(ies) of Education that you plan to apply to.**

- **REHABILITATION SCIENCE (OCCUPATIONAL THERAPY, PHYSICAL THERAPY)**

For detailed information on admission requirements for **Occupational Therapy and Physical Therapy** refer to the Ontario Rehabilitation Sciences Programs Application Service (ORPAS) website (the Instruction Booklet outlines the specific admission requirements for each University). **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

<http://www.ouac.on.ca/orpas/>

- **ATHLETIC THERAPY**

For detailed information on **Athletic Therapy programs** refer to the Canadian Athletic Therapy Association website. **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

http://www.athletictherapy.org/en/accredited_institutions.aspx

- **MEDICINE**

For detailed information on admission requirements for Medical Schools in Ontario refer to the Ontario Medical Schools Application Service (OMSAS) website (the Instruction Booklet outlines the specific admission requirements for each University). **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

<http://www.ouac.on.ca/omsas/>

- **CHIROPRACTIC**

For detailed information on the **Chiropractic programs in Canada** refer to the Ontario Chiropractic Associate website:

<http://www.chiropractic.on.ca/ChiropracticCare/WhoareChiropractors/BecomingaChiropractor.aspx>

For detailed information on admission requirements to the **Chiropractic program at the Canadian Memorial Chiropractic College** refer to their website (the Admissions Brochure outlines the specific admission requirements). This is the only Chiropractic program in Ontario. **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

<http://www.cmcc.ca/Page.aspx?pid=339>

- **REGISTERED MASSAGE THERAPY**

For detailed information on **Registered Massage Therapy programs in Ontario** refer to the College of Massage Therapists of Ontario website. **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

<http://www.cmto.com/school/school1.htm>

- **POST-DEGREE COLLEGE PROGRAMS (EXERCISE SCIENCE & LIFESTYLE MANAGEMENT, CHIROPODY, ETC.)**

For detailed information on Post-Degree College Programs in the health sector refer to the Ontario Colleges website. This site allows you to search programs by sector, college and type of program. **If you have questions regarding the admission requirements you should contact the Universities directly for the most accurate information.**

<http://www.ontariocolleges.ca/ontcol/home.html>

Additional Resources

Registrar's Office

The Office of the Registrar offers information on admissions, course information and registration, grade reporting and degree audit, academic advising, convocation, and issues official academic transcripts, among other services.

Website	http://brocku.ca/registrar
Contact	905-688-5550 x3052 regist@brocku.ca
Location	Schmon Tower, 3 rd floor

Student Awards & Financial Aid

The Student Awards & Financial Aid Office helps students fund their education through government and University assistance programs (e.g. government student loans including OSAP, bursaries), and recognizes student excellence (e.g. scholarships).

Website	http://www.brocku.ca/safa
Contact	905-688-5550 x3958
Location	Schmon Tower, 4 th floor

Student Success Centre

The Student Development Centre offers many services to assist students with any issues they might encounter at University and helps students have a positive experience socially, personally, and academically while at Brock.

Services available through the Student Development Centre include:

- Aboriginal Student Services
- Leadership Programs
- Academic Zone Learning Services (academic and learning skills support)
- Services for Students with Disabilities
- Personal Counselling

Website	https://brocku.ca/student-success-centre/
