

BROCK COMMUNITY CONNECTION!
September, 2024

**Hello Brock Parents, Families and
Supporters!**

We're excited to welcome our community back to campus and celebrate the arrival of our new students! Whether your student is beginning their university journey or finishing up their degree, Brock University is here to support them. We are now three full weeks into classes, and the energy on campus is positive as we move into Brock's 60th year of transformative learning. The image above is Brock's messiest tradition, [Grape Stomp](#). It is a "tonne" of fun, and a [grape way](#) to connect to the sweet harvest in the Niagara

Region while having fun celebrating Brock's Homecoming!

What to Expect in the Fall for Your Student

There are number of events for students to get involved at Brock. [Grape Stomp](#) and the [Steel Blade Classic](#) Hockey Game are both on Friday, September 20. All events are posted on Brock's [Experience BU](#) website. Every year, Brock hosts over 6000 events for our community!

Brock University For You (BU4U)

You play an important role in supporting your student throughout their university journey; one way to support them is to refer them to on-campus services, supports and resources. A comprehensive list of services and supports can be found at [BrockU4U](#). In the **Brock Campus Connect** newsletter for Parents, Families and

Brock Supporters, we will highlight campus services and supports that exist to support students. This edition features **Academic and Learning Supports** to start the year positioned for success!

Academic & Learning Supports for All Students

1. If they have questions about their program requirements, withdrawal dates, or course registration, refer them to [Academic Advising](#), [Brock Central](#), and [Important Dates](#).
2. If they need support with time management, presentation skills, or exam preparation, direct them to [Learning Services](#).
3. If they are a student with a disability and need academic accommodations, guide them to [Student Accessibility Services](#).

4. If they are seeking writing support, and specific course content/materials refer them to [Learning Services](#).
5. If they need research support and skills, send them to [Brock University Library](#).
