## Student Success Profiles

Co-op, Career  
and Experiential  
Education

**2022/2023**

Law Plus is a four-year co-curricular program for undergraduate students interested in the legal field. Law Plus offers unique learning opportunities through partnerships with public and private law organizations, guided mentorship and tailored skills development. Through developing a comprehensive understanding of the Canadian legal field, Law Plus students graduate with the enhanced knowledge and skills necessary to enter professional programs and careers.
