Media invited to 20th anniversary celebration of Cool Climate Oenology and Viticulture Institute

Brock University's Cool Climate Oenology and Viticulture Institute (CCOVI) will be celebrating its 20th anniversary Friday, June 24.

CCOVI is an internationally recognized research unit focused on addressing the needs of Canada's grape and wine industry. The only research centre of its kind in Canada, CCOVI's activities range from complex laboratory research to in-the-field programs that alert grape growers to imminent threats from severe weather.

Media are invited to attend a reception and take a tour through the institute's research and teaching facilities.

What: CCOVI's 20th Anniversary Celebration
When: Friday, June 24, from 4 to 6 p.m.
Where: Outside of Inniskillin Hall, Brock University

Note: This event is not open to the public.
