**Date: Thursday, September 7, 2006**

#### **Public Lecture: Cool Climate Winegrape Production - What Price Quality?**

#### **The Australian Experience**

**Location: Sean O'Sullivan Theatre, Brock University**

**Time: 7:30 p.m. / Reception to follow**

As one of Australia's most experienced viticulturalists and Managing Director of her own consulting service "Di" brings her 30 years of firsthand experience in vineyard development, management and renovation to Niagara. Qualified in Agricultural Science and Business Administration she is the author of "A Guide to Growing Wine Grapes in Australia" and the newly released "The Business of Vineyards" a core text used by vineyard programs in Australia and New Zealand. Join us in this opportunity to learn from Di all aspects of vineyard management and design as well as vineyard economics.

Visit: [www.brocku.ca/ccovi](http://www.brocku.ca/ccovi) for further details along with CV, site maps for Technical Workshop as well as the University campus map for lecture location. **Admission is FREE but RSVP is required: 905-688-5550, ext. 4652 or e-mail: [ccovi@brocku.ca](mailto:ccovi@brocku.ca)**

The lecture series was created by Donald and Elaine Triggs to bring a leading international speaker to present a public lecture on key issues related to premium vinifera.

**Brock University**

Cool Climate Oenology and Viticulture Institute
