

Brock University Rapid Antigen Screening App

Appointment Booking Guide

Welcome to the Brock University Rapid Antigen Screening App User Guide. Outlined below are the directions for how to use the app to book an appointment to pick up a Rapid Antigen Screen Kit from Brock's Main Campus, Kenmore Centre KC 120.

Note: For the best user experience we recommend following the instructions to download and run the BrockU Rapid Antigen Screening App PowerApps application on your mobile device. The application may also be run on a PC however, will require a camera in order to capture a photo of your screening result.

Step 1: Download Power Apps

Ensure You have downloaded the Power App to your mobile device. If You are new to PowerApps please see the general user guide on the Brock Rapid Antigen Website.

Step 2: Open the Power App and Click on All Apps (bottom of screen - center)

Step 3: Select The App

A) If you are a Brock Faculty, Staff or Student please click on the Red BrockU Rapid Antigen Screening App

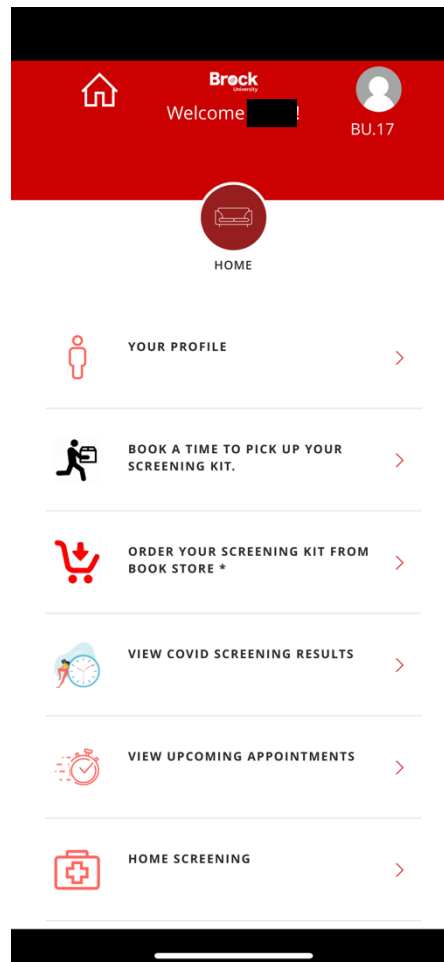

B) If You are a Brock Sports Varsity Athlete, Click on the Grey Brock Sports Rapid Antigen Screening App

Step 4: Select Book a Time to Pick Up

This is your Rapid Antigen Screening App Home screen. Below are all the functions within the app.

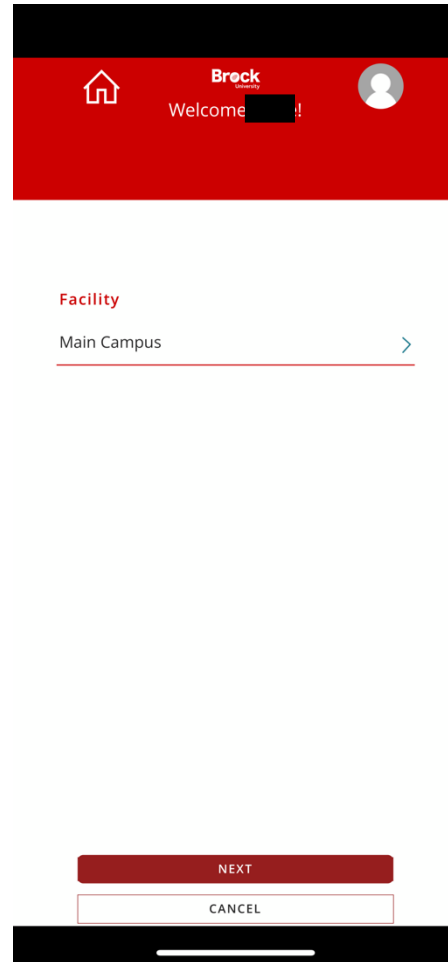

Select “Book a Time to Pick Up Your Screening Kit”

Step 5: Select Location for Pick up

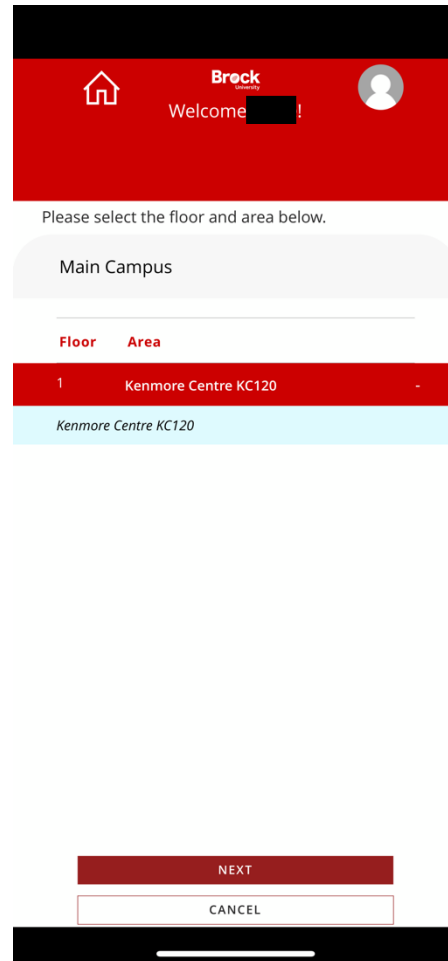

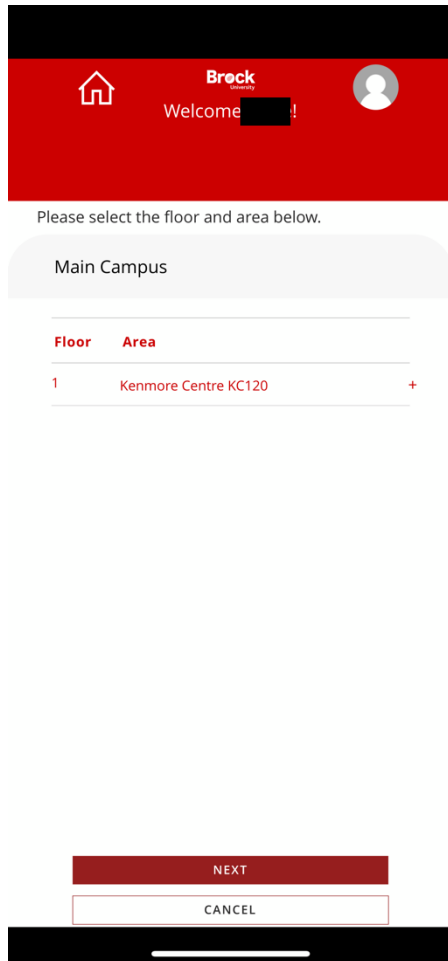

Using the drop down menu, select **“Main Campus”** as the facility.

Press Next.

Using the drop down menu, select “**Kenmore Centre KC 120**” as the floor and area.

Press Next.

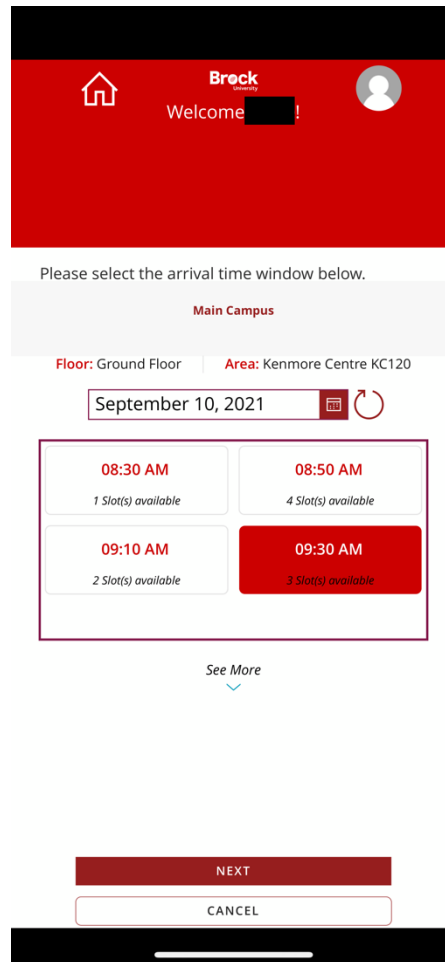

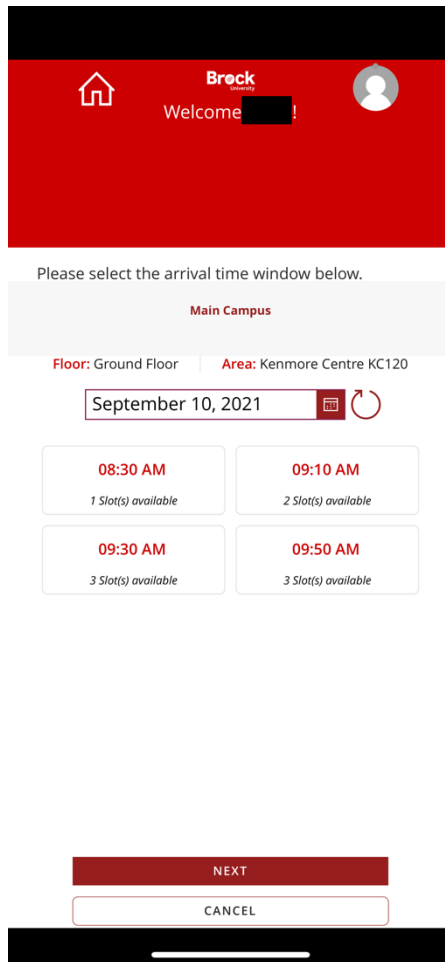

Step 6: Select Date and Time for Pick Up

Select a **date** from the calendar and **time** from availability listed below.

New appointments are made available for the following week on Fridays.

Appointments are: **Monday-Friday 8:30-4:30pm.**

Step 7: Self Attestation

Please review the Attestation Statement and Click on **I Agree** or **I Disagree**

Do you agree with the following statements?

Travel: In the last 14 days, have you travelled outside of Canada AND been advised to quarantine per the federal quarantine requirements?

Last 10 Days: In the last 10 days, have you tested positive for COVID-19 on a rapid antigen test or home-based self-testing kit? (If you have since tested negative on a lab-based PCR test, answer NO).

Do **either** of the following apply to you:

A) In the last 10 days, have you been identified as a "close contact" of someone who currently has COVID-19? (If you are fully vaccinated, defined as 14 days after receiving your final dose, and you have not been advised to self-isolate by public health, answer NO).

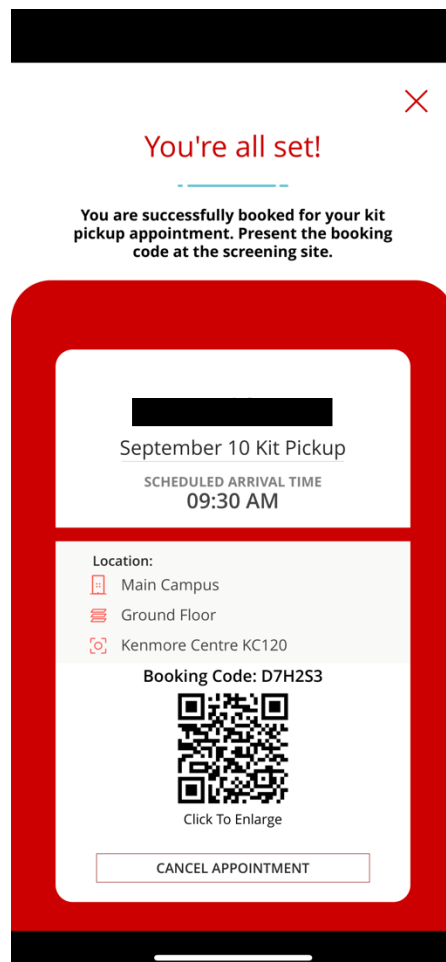

B) In the last 10 days, have you received a COVID Alert exposure notification on your cell phone? (If you are fully vaccinated, defined as 14 days after receiving your final dose, or otherwise been cleared from self-isolation requirements by public health, answer NO).

Isolating:

Step 8: Booking Confirmation

You will receive a booking confirmation screen with all of the booking information.

You will also receive an email of your booking confirmation.
