

Notification of Gift of Securities In-Kind

Brock University is grateful for your gift of securities. Under current tax regulations, your donation of publicly traded securities is exempt from capital gains tax **only** when you transfer the securities in-kind. A charitable donation receipt for income tax purposes will be issued based on the fair market value of the securities on the date (closing price) the securities are received into the University's brokerage account.

Our policy is to sell your gifted securities immediately upon clearing into our account, usually the day after your transfer. Given the volatility of today's market, the starting balance of any endowment or value of the gift will be the net realized cash value of the security sale.

To donate publicly traded securities, follow these simple steps:

1. Email a copy to Amelia Canto at acanto@brocku.ca or call to notify us of your intention.
2. Please instruct your broker to complete the transfer of the securities-in-kind to the University's account.
3. For questions about the gift of securities transfer process, contact Amelia Canto at (905) 650-7032 or acanto@brocku.ca.

Your broker may contact us directly, or if you prefer, we can contact your broker to make your donation.
