

## Notification of Gift of Securities In-Kind

**Donor Information:** 

Brock University is grateful for your gift of securities. Under current tax regulations, your donation of publicly traded securities is exempt from capital gains tax only when you transfer the securities in-kind. A charitable donation receipt for income tax purposes will be issued based on the fair market value of the securities on the date (closing price) the securities are received into the University's brokerage account.

Our policy is to sell your gifted securities immediately upon clearing into our account, usually the day after your transfer. Given the volatility of today's market, the starting balance of any endowment or value of gift, will be the net realized cash value of the security sale.

To donate publicly traded securities, follow these simple steps:

- 1. Email a copy to Sonia Dupte at sdupte@brocku.ca or call to notify us of your intention.
- 2. Please instruct your broker to complete the transfer of the securitiesin-kind to the University's account.
- 3. For questions about the gift of securities transfer process, please contact Sonia Dupte at (905) 650-7032 at sdupte@brocku.ca

Your broker may contact us directly or if you prefer, we can contact your broker to make your donation.
