

2021-2022 ACADEMIC YEAR*

BROCK DINING SERVICES ALL-ACCESS MEAL PLAN

We are excited to introduce **NEW All-Access meal plan programming for the 2021-2022 academic year. All-Access meal plans provide the ultimate campus dining value, flexibility and convenience!**

An All-Access meal plan provides unlimited meals either 5 days or 7 days a week to both of our DeCew and Lowenberger dining halls. A 5-day plan provides unlimited access from Monday to Friday and a 7-day plan includes the weekends.

Both dining halls are fully renovated and have been transformed into two all-you-care-to-eat campus restaurants. Our dining halls are led by a culinary team focused on incorporating fresh local ingredients and providing healthy meal options.

Each plan includes dining hall guest passes to enjoy a meal with friends or family on campus. Our plans also include Flex and Dining dollars to enjoy other on campus food service locations such as Hungry Badger, Tim Hortons, Guernsey Market & Starbucks.

Students living in a traditional residence such as Lowenberger, DeCew, Vallee, or Earp are required to participate in a 7-day All-Access meal plan.

Students living in a non-traditional residence, Village or Quarry View are required to participate

in a 5-day All-Access meal plan. Students living in Village or Quarry View can upgrade to a 7-day All-Access meal plan.

We recommend the 7-day All-Access meal plan as it provides two campus destinations for all-you-care-to-eat dining, unlimited meals, snacks and beverages 7 days a week. The price difference between a 5-day and 7-day All-Access plan is less than \$10 per week, giving you best value and convenience.

Students not living on campus can also purchase a 5-day or 7-day All- Access meal plan or off campus meal plan.
