Are you familiar with Brock University's consecutive and multi-session consecutive programs of professional education with areas of study in technological education (Grades 9/10 and Grades 11/12), leading to a degree or certificate? The Ontario College of Teachers wants to hear from you.

The College is reviewing an application for the general accreditation of these programs and is providing an opportunity for the public to share input related to their quality.

Input about what?

The College welcomes your thoughts, concerns or praise about the quality of the programs of professional education leading to a degree/diploma with areas of study in Technological Studies.

Who can provide input?

A teacher candidate in the program, a member of faculty, an associate teacher, or an interested member of the community.

How do I provide input?

Please complete the input form available at oct-oeeo.ca/Brock.

When is the deadline?

The College will be accepting comments until August 21, 2026.
