Textbooks for elective classes are the responsibility of the student.
- 9) Tuition refund calculations will take into account:
  - a) The Province of Ontario \$750 Recovery fee is included in the flat fees and will be deducted from the refund, regardless of the term that the refund is issued.
  - b) Refunds will be on a prorated basis per class, per term, minus a 20% administration fee.
  - c) Any outstanding balance on a student account will be deducted from the refund by the Finance Office.
