Master of Education Bursary Application

Faculty Verification Form

Given the personal nature of the information on the Master of Education Bursary Application Form, the Faculty Verification Statement is a separate document. This Verification Statement should be sent to a faculty member (e.g. someone who know you and your progress through the program, preferably a supervisor or advisor).

If you have not yet identified and advisor or supervisor, fill in questions 1 and 2. State in the space provided in question 3 that you do not have a supervisor/advisor.

1. At what stage is this graduate student in their program of study?

2. What is the estimated date of completion for this student with respect to their current degree program?

3. If applicable, how recently has the student's supervisory committee or program review committee met. What is your view of the student's progress through the program at this time?

I have read the above application and/or filled to the best of my knowledge.

Name of Faculty Member: _____
