Faculty Verification Form

Given the personal nature of the information on the Doctor of Philosophy in Education Bursary Application Form, the Faculty Verification Statement is a separate document. This Verification Statement should be sent to your supervisor.

1. At what stage is this PhD student in their program of study?

2. What is the estimated date of completion for this PhD student with respect to their current degree program?

3. If applicable, how recently has the PhD student's supervisory committee or program review committee met. What is your view of the student's progress through the program at that time?

I have read the above application.
