

# **PARTicipation** **2022**

Working with the theme of "Art & Sports", students from both the District School Board of Niagara and the Niagara Catholic District School Board in partnership with the Niagara Regional Native Centre and the Niagara Peninsula Conservation Authority had the opportunity to engage in visual arts workshops, during May and June of 2022.

# Come See the Art!

## At the Niagara Regional Native Centre, June, July and August 2022

### Honouring Indigenous Athletes

The secondary students at Soaring Eagles (St. Kateri Tekakwitha Centre, N.C.D.S.B) have each created a unique piece of art that was inspired by the stories of Indigenous athletes.

June is Indigenous Peoples History Month, and the student art creations in this exhibit highlight the significant contribution Indigenous athletes have had, and continue to have, today, within their communities and within the world of sports.

### Other Exhibition Locations - July and August

- Niagara Falls Public Library
- Welland Public Library,
- Grimsby Public Art Gallery,
- Fort Erie Native Friendship Centre
- St. Catharines Public Library, Downtown Branch
