

Toromont Construction Undergraduate Sustainability Scholarship Application

This award is administered by the Environmental Sustainability Research Centre (ESRC) in conjunction with Facilities Management. The award provides financial assistance to registered students in good standing who have declared a Minor in Environmental Sustainability.

There will be two scholarships awarded to undergraduate students at Brock University, who have declared a Minor in Sustainability in the amount of \$1,000 each. Applicants are asked to respond to the submission question below in 1500 words or less. Application criteria consideration includes both the written submission, as well as final course grades (unofficial transcripts).

Please submit your application form to sustainability@brocku.ca by 11:59pm on Wednesday August 22, 2018. Submissions will be reviewed and successful applicants will be notified via email by September 7, 2018. Note: Winning submissions may be posted on Brock websites and social media accounts.
