Shifting into this final semester of the academic year, the Board of Directors is putting out a call for new Directors to join the current 2021-2022 Board. As we are in the last semester of this Board, successful applicants will be deemed interim Directors for 2021-2022, but will also be given additional consideration for membership on the Board of Directors for the 2022-2023 year, if so desired.

While we are currently *only* seeking applications for directors from Education, Humanities, Social Sciences and Goodman School of Business for the term ending April 2022, we are also accepting applicants from all faculties for the May 2022-April 2023 term.

If you are interested in applying to be a member of the GSA Board of Directors, representing one of the faculties noted above, submit a cover letter and resume/CV outlining your interest and qualifications to email gsaed@brocku.ca.

Before applying for the term ending April 2022, please also ensure that your availability aligns with the meetings of the Board. [Click here to review the set meeting dates of the Board](#).

If you have any questions or would like additional details about this role, please reach out to our Executive Director, Mary Tibollo at gsaed@brocku.ca.
