Degree Exploration Guides

If you’re curious about where your studies may take you after graduation, the Degree Exploration Guides are a great way for you to discover what you can do with your degree.

The guides provide you with:

- A list of possible career options to research and explore
- An overview of the skills that you gain from your degree at Brock
- A variety of helpful resources to help you find employers and job opportunities in your field

To access the Degree Explorations Guide for your program, visit: brocku.ca/ccee/career-education/campus/what-can-i-do-with-my-degree/

Experience Plus Transcript

Experience Plus provides you with a way to showcase your involvement as a Brock graduate student. All Brock graduate students can work at developing an official Brock University co-curricular transcript that documents a variety of activities. Registration, updates, and transcript requests are completed online through your personalized Experience Plus account.

Activate your student Experience Plus account by following these steps:

1. Log into the student portal: my.brocku.ca
2. Select the “student self service” tab on the top menu
3. Select the “student self service - menu” link
4. Select the “Career Education”, “Plus Programs” and “Student Data” menus

Career Consultations

Career Education offers several customized services to Master and PhD students. Connect with a Career Consultant or drop into CareerZone for valuable feedback on your job search documents or a customized career consultation.

- Translating your Curriculum Vitae (CV) to a Resume
- Resume, CV, and Cover Letter Feedback
- Interview Preparation
- Career Portfolio
- LinkedIn Profile Review & Building Relationships via Social Media
- Statement of Intent Feedback
- Non-academic Career Consulting
- Translating Academic Skills to Industry

SHIFT Conference

Career Education is a proud partner of the Vitae Essential Skills Program Committee and active contributor to the SHIFT Conference. Held annually in late April, the SHIFT conference is an annual capstone professional skills conference for graduate students to assist you with making 'the SHIFT', from:

- 'learning to earning'
- thinking about your future to taking action (career readiness)
- thinking about your disciplinary knowledge to articulating your transferrable skills
- thinking about 'finding a job' to the possibility of creating a job (entrepreneurial thinking)
- thinking about volunteer work and the value of actively building a professional network during your graduate education.

For more information on SHIFT Conference, visit <http://gradshiftconference.ca/>
