

## **ONTARIO VISITING GRADUATE STUDENT**

### **GENERAL INFORMATION:**

The Ontario Visiting Graduate Student Plan allows a graduate student of an Ontario university (Home University) to take **graduate courses** at another Ontario university (Host University) while remaining registered at his/her own university. The plan allows the student to bypass the usual application for admission procedures and resultant transfer of credit difficulties. The student pays fees to Brock University and is classed as a "Visiting Graduate Student" at the Host University where he/she pays no fees.

**APPLICATION:** Brock University graduate student completes an Ontario Visiting Graduate Student application form attached hereto.

On this form, he/she must indicate the course(s) to be taken and the term during which the course is offered at the Host University. The student must also provide a course(s) description and a course outline (if available). Approval is not complete until the form has been approved (signed) by the Graduate Program Director and Associate Director of Brock University, and the Department Chair (or approved signee) and Dean of the Host University.

**COURSES:** The course(s) selected **must be at the graduate level and required for the student's degree program**. Such courses **may not be "extra" or "audit" courses** for the student. The student may only take 2 half-credit courses at a visiting Ontario university.

**REGISTRATION:** Once the approved application form is received and approved by the graduate office of the Host University, the student will be registered by the Faculty of Graduate Studies at Brock University in the course(s) for the term(s) indicated on the form. The student will then be notified of the approval via your Brock email. The student must check their Student Self Serve, under Finance History in order to make payment to Brock University for the term during which the course takes place.

**CREDIT:** By virtue of approval of the Visiting Graduate Student application form by Brock Graduate Program Director and Associate Director, Brock University, it is agreed that credit work done at the Host University will be used toward the student's degree program, assuming suitable standing is obtained by the student.

**RESIDENCE:** Time spent as a Visiting Graduate Student is credited to the residence requirement at the student's Home University by virtue of his/her registration during that time period, subject to the regulations of Brock University.

**REPORTING OF MARKS:** It is the responsibility of the student to arrange to have an official record (e.g. an official transcript, where possible) sent by the Host University to the Associate Director of Brock University as soon as the final mark is available. The student is required to pay any costs connected with this service (e.g. transcript charges). An interim report may be provided by the Host University in the form of a signed memorandum by the Instructor/Graduate Office of the course. Failure to meet this responsibility may result in the student being assigned a failing grade for the course(s) at Brock University.
