Social Sciences and Humanities Research Council (SSHRC) Presentation

September 2017
Tri-Agency Harmonization of the Canada Graduate Scholarships - Master’s (CGS M)
The Canadian Institutes of Health Research (CIHR), the Natural Sciences and Engineering Research Council of Canada (NSERC) and the Social Sciences and Humanities Research Council of Canada (SSHRC) have formed a Tri-Agency Harmonization Team to redesign the Canada Graduate Scholarships (CGS) Master’s application.

**Award Value:** $17,500 for one year, (plus a DGS Excellence Scholarship offered to a Brock University graduate student)

There will be a single application for all students across Canada via a Research Portal. The application is easy to complete, and requires the student to complete a short version of the Canadian Common CV.
Tri-Agency CGS M - Important Dates

Application deadline: December 1, 2017
Applications must be submitted before 8:00 p.m. (ET) on the Research Portal

Brock’s SSHRC CGS M quota: 12 awards

March 1, 2018: Registered or have applied for admission to an eligible program of study to be offered a CGS Master’s

Award Announcement (through the Research Portal): April 1, 2018.
Tri-Agency CGS M - Eligibility Criteria

- Canadian citizen or a permanent resident of Canada
- First-class average (80%/A-), in each of the last two completed years of study (full-time equivalent)
- Enrolled in, or intend to apply for full-time admission to a graduate program at the master’s level at a Canadian university with a CGS M allocation
- Have completed, as of December 31 of the year of application, between 0 and 12 months of full-time studies (or full-time equivalent) in a Master’s/Doctoral
  – Possibility of holding a CGS M for the first year of a doctoral program
Tri-Agency CGS M - Eligibility Criteria cont’d

• Cannot have held a CGS M funding for previous Master’s degrees

• Applicants may submit a maximum of one CGS M application per year, the Research Portal will allow the application to be submitted to up to five universities.

• An eligible graduate program must have a significant research component (course based programs are typically not eligible)

• Refer to the Government of Canada website to ensure you are selecting the “Appropriate Federal Granting Agency” to ensure your research falls under the correct agency.
Tri-Agency CGS M - Evaluation Criteria

Academic Excellence  50%

Research Potential  30%

Personal Characteristics & Interpersonal Skills  20%
Tri-Agency CGS M - Instructions

Natural Sciences and Engineering Research Council of Canada
www.nserc-crsng.gc.ca

Instructions

To view forms and instructions for programs that are still using NSERC’s On-line Services, please refer to the PDF Forms and Instructions.

NSERC is moving to the Research Portal and the Canadian Common CV (CCV). The transition is being phased in gradually (i.e., program by program). Instructions will be added to this page as they become available.

For Students

Tri-Agency CGS M - Application Overview

77 days 3 hours 52 minutes until the funding agency deadline date; please consult your institution regarding internal deadlines, if applicable.

Deadline Date: December 01, 2017 20:00 (easter)

Legend

Received by Administrator: The completed application has been successfully submitted to the institution by the applicant.

Offered: An offer has been made to the applicant by the institution.

Alternate: The application has been deemed meritorious in the institution’s competition; however, due to its ranking, falls below the allocation cut-off. The applicant is therefore on the alternate list. Should an award become available due to a decline, an applicant on the alternate list may receive an offer.

Not Offered: The application has been deemed non meritorious in the institution’s competition. Subsequent offers may NOT be made to the applicant.

Ineligible: The application has been deemed Ineligible based on the eligibility criteria outlined in the funding opportunity description.

Accepted: The offer has been accepted by the applicant.

Declined: (a) the offer from the institution has been declined by the applicant; or (b) an offer from an institution has been accepted by the applicant; therefore, all other pending offers are automatically set to “Declined”; or (c) an offer that has not been accepted within 21 days from the date of offer.

Deferred: Before commencing an award, the applicant may defer an award for up to three years, for a maximum of one year at a time, but only for reasons of maternity, child rearing, illness, or health-related family responsibilities.

Acceptance Withdrawn: The acceptance of the offer has been withdrawn at the applicant’s request.

Tri-Agency CGS M - Attachments

- Text must be single-spaced, with no more than six lines per inch.
- The acceptable font is Times New Roman (regular, minimum 12-pt.) or any comparable serif font.
- Condensed type is not acceptable.
- Set margins at a minimum of 2 cm (3/4 of an inch) all around.
- Use a left-justified, standard page layout.
- Include your name in the page header (on every page).
- For multipage attachments, number the pages sequentially.
- The maximum number of pages permitted is indicated in each section of the application. Pages in excess of the number permitted will be removed.
- If you have supporting documents written in a language other than English or French, you must provide a translation of the document in English or French.
- All attachments must be in PDF format before they can be attached to the electronic application.

Tri-Agency CGS M - Outline of Proposed Research
Tri-Agency CGS M - Outline of Proposed Research

The attachment has a limit of two pages and must adhere to the following:

- Outline of proposed research (maximum of one page); and
- Bibliography/citations (maximum of one page).

- Provide a detailed description of your proposed research project for the period during which you will hold the award. Be as specific as possible. Provide background information to position your proposed research within the context of the current knowledge in the field. State the significance of the proposed research to a field in the social sciences and/or humanities.
Tri-Agency CGS M - Outline of Proposed Research - cont’d

• If you have not yet decided on a specific project, you must still provide a detailed description of a research project that interests you.
• Only one outline of proposed research can be attached, even if you are apply to more than one university.
• Your application may be reviewed by a multidisciplinary committee not necessarily in your research area.
• Applicants are expected to write their own research project independently.
• Use clear, plain language and avoid jargon.
• Follow the guidelines and format standards outlined in the instructions.
Tri-Agency CGS M - Transcripts

- Transcripts must be scanned in black and white, and all transcripts saved as a single PDF file.
- You must include one copy of the legend located on the reverse of each transcript, to help the reviewers understand the grading system at your university. **Do not scan the legend multiple times.**
- Up-to-date transcripts of all undergraduate and graduate studies must be scanned as indicated above and uploaded by the applicant in the appropriate section of the application. Transcripts must be those provided to you from the university, not a copy of your Web transcripts.
- If you are already registered in your program of study at the time of application, you must submit a transcript for this program, regardless of the number of months completed, to demonstrate registration in the program.
- Up-to-date transcripts are defined as transcripts dated or issued in the fall session of the year of application (if currently registered) or after the last term completed (if not currently registered).

Attaching a Canadian Common CV

![Image of a web interface showing the process of attaching a Canadian Common CV. The interface includes tables for attachments and Invitations, with details such as the status, title, role, and updated date. There are also options to attach documents and a reminder to provide two references.]
Faculty of Graduate Studies

Tri-Agency CGS M -
Canadian Common CV Confirmation Number

Research Portal

Canadian Common CV Upload

See the instructions on how to use the Canadian Common CV (CCV) for information on completing and attaching your CCV.

**Note:** To successfully upload your CCV, the first name and family name used to create your CCV site account **must be identical** to those used to create your Research Portal account. As well, the email address used to create your Research Portal account **must be identical** to at least one of the emails you listed on the CCV site (i.e., the email used to create your CCV account, or any of the emails you included in the Email section of your CCV).

**Research Portal:** To change your family name, first name and/or email address, go to User Profile.

**CCV:** To change your family name, first name and/or email address, log into the CCV and click "Account" in the top menu bar. To change any other email addresses included in your CCV, go to the Email section of the relevant CCV template.

Confirmation Number:
Each application must be accompanied by two reference assessments.

- **Note:** These must be completed by persons capable of making an informed assessment, and they cannot be completed by a proposed supervisor unless that person is, or has been, your supervisor.

- One assessment should be from a person familiar with your research and other abilities, e.g., current academic research supervisor or industrial supervisor (in the case of co-op students), previous academic research supervisor or industrial supervisor.

- The second assessment should be from a person sufficiently familiar with your research and other abilities to provide a meaningful assessment.

You will not be able to submit your application until these assessments have been completed and linked to your application.

Tri-Agency CGS M - Competition Results

April 1, 2018 - Results Announced

• Competition results will be announced through the Research Portal.

• Students may only accept one CGS M offer. If they accept an offer, they will be deemed to have declined any other pending offers (if applicable).

• To accept a CGS M offer from a University, you must be currently registered or applied for admission.

• Applicants will have 21 days from the date of each offer of award to accept or decline. If an offer of award is accepted, the system will automatically set all other offers and post status as “Declined”. The status of offers not accepted or declined within the 21 days will also automatically be set to “Declined”.

Tri-Agency CGS M - 
Contact Information

First point of contact should be the Faculty of Graduate Studies at the university where you intend to apply for admission, or where you are currently, or will be, registered in.

Joanne Kremble, Graduate Officer Scholarships and Awards, Faculty of Graduate Studies
jkremble@brocku.ca or 905-688-5550 ext. 5207

General Inquiries
Email: fellowships@sshrc-crsh.gc.ca
SSHRC Doctoral Scholarships
(CGS/PGS D)
SSHRC offers two types of funding for doctoral students:

• **SSHRC Doctoral Fellowships:** $20,000 a year for up to 48 months
• **Joseph-Armand Bombardier Canada Graduate Scholarships (JAB CGS) Doctoral Scholarships:** $35,000 a year for 36 months

Applicants apply for both awards by completing **one application form**. If you are eligible for both awards, SSHRC will automatically consider you for both.

• Most Canadian universities receive a quota indicating the number of students they can nominate for the national competition.
• Brock University’s quota is 13.

**Deadline date:**  October 20, 2017
SSHRC Doctoral - Eligibility Criteria

• Canadian citizen or permanent resident of Canada;
• applying for support to pursue your first PhD (or equivalent);
• pursuing doctoral studies in the social sciences or humanities;
• not have already received a scholarship or fellowship from SSHRC, NSERC or CIHR to undertake or complete a doctoral degree or combined MA/PhD;
• SSHRC Doctoral Fellowships can be held at a recognized university in Canada or abroad.
• JAB CGS Doctoral Scholarships can only be held at an eligible Canadian university.
SSHRC Doctoral - Subject Matter Eligibility

• To avoid applications being declared ineligible, ensure that your research falls under the SSHRC mandate by consulting the General Guidelines for the Eligibility of Subject Matter at SSHRC website.

• Applicants working in research areas where boundaries overlap are advised to state clearly in the applications why they believe their proposals are appropriate for support by the agency to which they are submitting their application.

• You may request an assessment of eligibility by sending a copy of your research proposal to SSHRC. Results of the eligibility review will be communicated by e-mail.

• Applicants should be advised to explore funding opportunities at CIHR and/or NSERC while their proposal is reviewed for eligibility, in order to ensure that deadlines are not missed.

• Please note that SSHRC does not permit appeals on grounds of subject matter eligibility.
SSHRC Doctoral - Evaluation Criteria

Applications are evaluated solely on the basis of their academic merit, measured by:

- past academic results, as demonstrated by transcripts, awards and distinctions;
- the program of study and its potential contribution to the advancement of knowledge;
- relevant professional and academic experience, including research training, as demonstrated by conference presentations and scholarly publications;
- two written evaluations from referees; and
- the departmental appraisal (for those registered at Canadian universities).

Birth year: 
Gender: 

↑ = Electronic Attachment
A complete application consists of:

- the on-line Doctoral Award application form, completed, printed and signed
- the program of study (max. 2 pages)
- a bibliography/citations (max. 5 pages)
- a research contributions page (if applicable, max. 1 page)
- allowable inclusions (if applicable, max. 1/2 page)
- official letter to confirm part-time study and/or leave of absence (if applicable, max. 1 page)
- all undergraduate and graduate level transcripts
- two (2) completed Letters of Appraisal in sealed envelopes
- the Departmental Appraisal (only for candidates who must apply through a Canadian University)
- the completed, printed and signed Consent to Disclosure of Personal Information form
- the Application Checklist
SSHRC Doctoral - Program of Study

Maximum two pages

Describe your program of study in clear, plain language, avoid jargon and highly technical terms. Reviewed by a multidisciplinary committee.

If you are currently completing a bachelor's degree, have not undertake any graduate level studies, or if you are completing or have completed a Master's degree:

• Clearly state your current level of study;
• Give the title and a brief description of your master's thesis, if applicable;
• Identify the degree program which you will pursue including any relevant courses and provide an explanation for your choice; and
• Provide an outline of your doctoral thesis proposal, including the research question, context, objectives, methodology and contribution to the advancement of knowledge, and your special interests in the proposed area of research.
If you are currently enrolled in a doctoral degree program:

- Clearly state your current level of graduate study;
- Indicate what stage you are at in your thesis;
- Provide the name of your supervisor of doctoral studies, if known;
- Provide an outline of your thesis proposal, including, for example, the research question, context, objectives, methodology and contribution to the advancement of knowledge; and
- Describe what you hope to accomplish during the award tenure and what will remain to be done before you obtain your degree.
Please ensure your attachments are presented according to these specifications:

- typed or word processed, single-sided, on 8 ½" x 11" (21.5 cm x 28 cm), white paper;
- single-spaced, with no more than six lines of type per inch;
- body text in a minimum 12 pt Times New Roman font;
- all margins set at a minimum of ¾" (1.87 cm);
- your name appearing within the set margins at the top right corner of every page; and
- pages numbered consecutively following the last page of your application printout.
SSHRC Doctoral – Letters of Appraisal

- Two Letters of Appraisal, maximum one page each.

- Referees must be faculty members who have had sufficient opportunity to assess your potential and the importance of your publications.

- If you are currently completing a bachelor's degree or are just starting graduate-level studies
  Obtain letters from faculty members who have had sufficient opportunity to assess your potential and the importance of your publications.

- If you are completing a Master's degree
  One of the letters of appraisal must be from your Master's supervisor (or equivalent).

- If you are currently enrolled in a doctoral degree program and have a supervisor
  One of the letters of appraisal must be from your doctoral thesis supervisor. If you completed a Master's degree previously, the other letter should be from your Master's supervisor (or equivalent). If you do not yet have a supervisor, obtain letters from faculty members who have had sufficient opportunity to assess your potential, at the bachelor's or Master's level.

- If you have changed universities since last year, one of the letters of appraisal must be from a faculty member at the previous university.
SSHRC Doctoral – Transcripts

You must include all undergraduate and graduate transcripts.

• SSHRC will accept official and certified copies of transcripts only. SSHRC will not accept Web-based, faxed or photocopied transcripts.

• If you are already registered in your program of study at the time of application, you must submit an official transcript for this program, regardless of the number of months completed, to demonstrate registration in the program. This requirement also applies to programs of study started in the fall session of the year of application.

• Official transcript(s) must be included with your application package in a sealed envelope, or you may order your transcript(s) and have them sent directly to your program.
SSHRC Doctoral - Competition Results

- University Adjudication Committee reviews all eligible applications and selects the allocated University quota to be sent forward.

- Students will be notified by email, after January 9, 2018, as to the status of their application, whether it was sent forward to SSHRC.

- SSHRC will notify applicants whose applications were submitted to SSHRC, of the results by mail May 2018.
SSHRC Doctoral Resources

Resource Centre to prepare and complete a SSHRC Doctoral application, and help you in understanding the adjudication and awarding process.
