ACTIVITY NAME: participating in the Brock University SeniorFit, Heart Strong, or Power Cord program (the "Program")

ACTIVITY DATE(S): January 1, 2022 - December 31, 2022

The Government of Ontario declared a province-wide state of emergency under *The Emergency Management and Civil Protection Act* on March 17, 2020 to protect the health and safety of all Ontarians and to reduce the spread of the novel coronavirus (or COVID-19). COVID-19 is easily spread by contact with droplets produced by people who have the virus.

The University has put in place measures to reduce the spread of COVID-19, however the University cannot guarantee that any individual attending the University Campus, using the University's facilities, or participating in activities organized by the University, whether on-campus or off-campus (including participating in the Program) (collectively, the **University Activities**) will not become infected with COVID-19. Further, attending the University Campus and participating in the University Activities, could increase the risk of contracting COVID-19.

All participants in the University Activities are being asked to carefully review, confirm, and agree to the statements made below.

**In agreeing to participate in my University Activities, I understand that the University will not be liable for any loss, injury or death, resulting from the risks outlined herein. I agree to waive my right to sue the University for any loss, injury or death resulting from the risks outlined within this Agreement.**

3.	To hold harmless and indemnify the <b>Releasees</b> from any and all liability, causes of action, claims, judgements, costs and expenses (including legal fees) that I, a member of my household(s), or any third party may suffer as a result of my engagement in University Activities, including due to any act, omission, or negligence of the <b>Releasees</b> .
