

Apply Accommodation Plan Each Term

Your accommodation plan needs to be applied to your courses each term you are enrolled. SAS recommends completing this step during the first weeks of lectures.

Welcome to OASIS:

Students who register with Student Accessibility Services gain access to the OASIS system to view upcoming appointments, view accommodations, monitor

Returning Student Update

The RSU is simply an option to expedite previously approved accommodations. SSWD strongly encourages students to make contact with their Case Manager at least once per term to touch base and discuss needs and accommodations. If there are pressing issues or new changes to your disability please book an appointment.

Returning Student Update

If you have the 'Returning Student Update (RSU)' on file, you can do this yourself within the OASIS portal. Please follow these steps:

1. Visit the [OASIS student portal](#).
2. Click 'Summary' tab.
3. Scroll down to the 'Returning Student Update' section.
4. Verify the correct 'Academic Year' and 'Academic Session'.
5. Click 'Submit RSU'.

No Returning Student Update

If you do not have the 'Returning Student Update' on file, meet with your [Case Manager Team in drop-in](#) to review your accommodations.

Drop-in can be attended in-person or virtually by connecting with the SAS office during your Team's drop-in times.

Important: If you add a new course after your accommodation plan has been applied, contact the SAS office to have your accommodations applied to the new course.
