

Tests and Exams tab in OASIS

The 'Tests and Exams' tab in OASIS is where you select which in-person exams you wish to write with accommodations in the SAS Exam Centre, and which accommodations on your plan you would like to write with. Within SAS, this selection process is called 'confirmation'.

Important: In-person exams need to be confirmed in OASIS by **7 days in advance**, while final exams in December and April need to be confirmed by the **deadline posted** on the [SAS Exam Centre website](#).

If you do not write with SAS, or the exam is take home or online, no confirmation is needed in OASIS.
