### NOTES FROM THE ARTIST

Manay recommends "Basics Liquitex" (Cadmium Red Deep, Cadmium Yellow Light, Ultramarine Blue, Titanium White, Mars Black) acrylic paint found at Michaels or Curry's Art Supplies for $7 each, although any acrylic paint will do!

Manay recommends the Strathmore Canvas Paper (12x16in) and green painter's tape for the border.

Choose brush sizes according to the size of the surface you decide to work on. Paint brush variety packs or sets can be found at most local art supplies stores.
