- Remove all garbage/recycling and dispose of it into proper bins in the garbage room
- Ensure all non-Brock items are removed; consider placing unwanted items in donation bins located around campus
- Clear closet, cabinets, shelves, drawers, and surfaces and wipe clean
- Vacuum the carpet and wash the entry floor
- Place the furniture back in its correct location - see back of move-in inventory and condition report for diagram or refer to <https://brocku.ca/housing/lowenberger/> for a typical room layout
- Return the bed height to its original position: there are 2 black lines on the foot board, place the bed spring between these lines

- In the Washroom:
 - Pack up all your toiletries and personal items
 - Scrub clean the sink, toilet, and tub free of soap residue, hair and grime
 - Clear the cupboard, cabinet, and countertop-wipe clean along with the mirror
 - Wash the floor
- Securely close and LOCK both the inside and outside pane of window in your bedroom; pull blinds fully across window and close to cover window
- turn off all lights in your bedroom, bathroom and entryway
- LOCK your washroom door and LOCK your bedroom door (ensuring it is shut tight behind you) and **take your student card and mailbox key, along with the completed express check out form, to the SOUTH SERVICE DESK to check out.**
- While in the lobby - don't forget to check if you have any mail or packages remaining to pick up

DO NOT leave without checking out at the desk!

You are not considered to be "moved out" until you return your mailbox key and formally sign out with the South Service Desk and hand in your signed express check out form. If you do not check out by your scheduled move-out date and time, you will be charged for a replacement mailbox key and you will be in violation of the Residence Agreement, this carries a \$100 fine (per day or any part of a day) and you will still be required to leave immediately.

****PLEASE NOTE: Your card will not allow access to your building/room past 12 noon on your move-out date.**
