Workplace Safety and Insurance Board or Private Insurance Coverage for Students on Unpaid Placements

Student coverage while on unpaid placement:

The government of Ontario, through the Ministry of Colleges & Universities (MCU), reimburses WSIB for the cost of benefits it pays to Student Trainees enrolled in an approved program at a Training Agency (university). Students enrolled at an Ontario postsecondary institution are eligible for Workplace Safety Insurance Board (WSIB) coverage while on placements, either required or optional, that are part of an Approved Program. ([See the Guidelines](#) for details regarding eligibility for Ministry coverage.)

MCU also provides private insurance through Chubb Insurance (formerly ACE-INA) to students should their unpaid placement take place with an employer who is not covered under the Workplace Safety and Insurance Act and limited coverage where eligible placements take place outside of Ontario (international and other Canadian jurisdictions). However, students are advised to maintain insurance for extended health care benefits through the applicable student insurance plan or other insurance plan. **Chubb insurance covers claims associated with accidents for students on unpaid placements including those working from home (Chubb has provided some clarity around work from home assignments – coverage is available to those students who have been approved and are being supervised by their placement employer to work at home). Chubb coverage does not include claims resulting from any infection, including COVID-19.**

Please be advised that Brock University will be required to disclose personal information relating to the unpaid work placement and any WSIB claim or Chubb claim to MCU.

This Agreement must be completed, and signed to indicate the Student Trainee's acceptance of the unpaid work placement conditions, and a copy provided to the Brock University placement coordinator prior to the commencement of the work placement.

Declaration:

I have read and understand that WSIB or private insurance coverage will be provided through the Ministry of Colleges & Universities while I am on an unpaid placement as part of an Approved Program.

I agree that, over the course of my placement, I will participate in and implement all safety-related training and procedures obtained from the University and the Placement Employer. I will provide the University with written confirmation that I have received safety training.

I will promptly inform my Placement Employer of any safety concerns. If these concerns are not resolved, I will contact the University's placement coordinator within my faculty and notify them of any unresolved safety concerns.

I understand that all accidents sustained while participating in an unpaid work placement must be immediately reported to the Placement Employer and my Brock University placement coordinator. An MCU Postsecondary Student Unpaid Work Placement Workplace Insurance Claim form must be completed and signed in the event of injury and submitted to the University placement coordinator.

I consent to the release of my personal information relating to the placement to my Placement Employer and MCU, including address, telephone number, date of birth and social insurance number.

In the event of an injury, I also agree to maintain regular contact with the University and to provide the University with information relating to any restrictions and my ability to return to the placement.

I understand the implications and have had any questions answered to my satisfaction.
