## How to Join P2P Drop-In Instructions
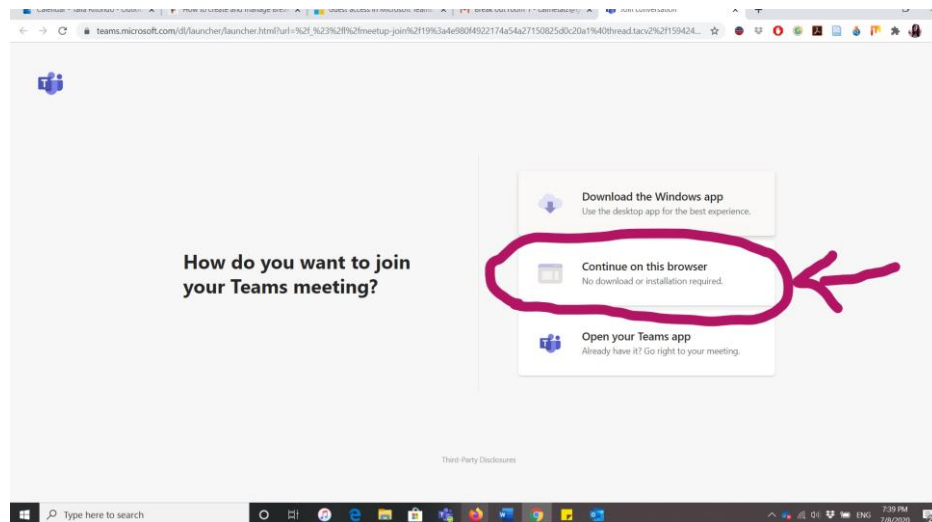

**Browsers compatible with Microsoft Teams Online: Chrome, Firefox, or Edge.

1. Right-Click on the tinyurl.com/drop-in-date link on our website.
2. Select "Open link in New Private Window"/ "Open link in Incognito Window".
3. Choose:
    - "Join on the web instead"

OR

    - "Continue on this Browser

4. Allow browser access to your camera and microphone (small pop-up in right-hand corner; these can be turned off later).
5. Enter the nickname you would like others in the meeting to see in the "Enter Name" bar. **DO NOT** enter your full name.
6. **Turn off your camera** before entering the drop-in (you will need to use the microphone).
7. Click "Join Now".
