April 12-25, 2021

Call for Papers

The *Western Social Science Association* (WSSA)

is committed to multi-disciplinary and interdisciplinary scholarship, service, and collegiality. The WSSA's mission includes fostering professional study, advancing research, promoting the teaching of social science, and encouraging professional exchange across the social science disciplines.

Founded in 1958 as the Rocky Mountain Social Science Association, the WSSA now draws on scholars and others in some 32 disciplines, or "sections," from across the United States, and around the world; convenes an annual conference; conducts research competitions for faculty and students; and publishes *The Social Science Journal*, a juried, quarterly research journal, and *WSSA News*, the association's quarterly newsletter.

The 2021 conference will be held virtually, due to COVID-19 restrictions.

The conference will accept proposals for:

- ◆ Live ZOOM sessions (paper presentations, roundtables, workshops)
- ◆ Recorded sessions (paper presentations, roundtables, workshops)
- ◆ Hybrid sessions (Recorded sessions, with a scheduled online Q&A session during the 2nd week)
- ◆ Document-only papers (not attached to any other format)
