## HRI 5x5 Incubator Grants Initiative

### Application form

---

The Humanities Research Institute 5x5 Incubator Grants are intended to foster collaborative transdisciplinary research and creative activity within and beyond Brock's Faculty of Humanities. The grants will bring together diverse faculty to explore big issues, including (but not limited to) sustainability, health and well-being, climate and environment, and human rights.

These collaborations may lead to further exploration of a research area through new research and creative projects, such as symposia, conferences, exhibits, performances, publications, or external grant applications.

Please submit your completed application **no later than 4:00 p.m. on Nov. 1** (or first business day after) to the Director of the HRI at [hri@brocku.ca](mailto:hri@brocku.ca). Submissions are adjudicated by the HRI advisory board and groups will be notified by Nov. 15. Payment will be received by the lead organizer by Jun. 30, following the submission of their final report due Jun. 15.
