

Change Password

Overview

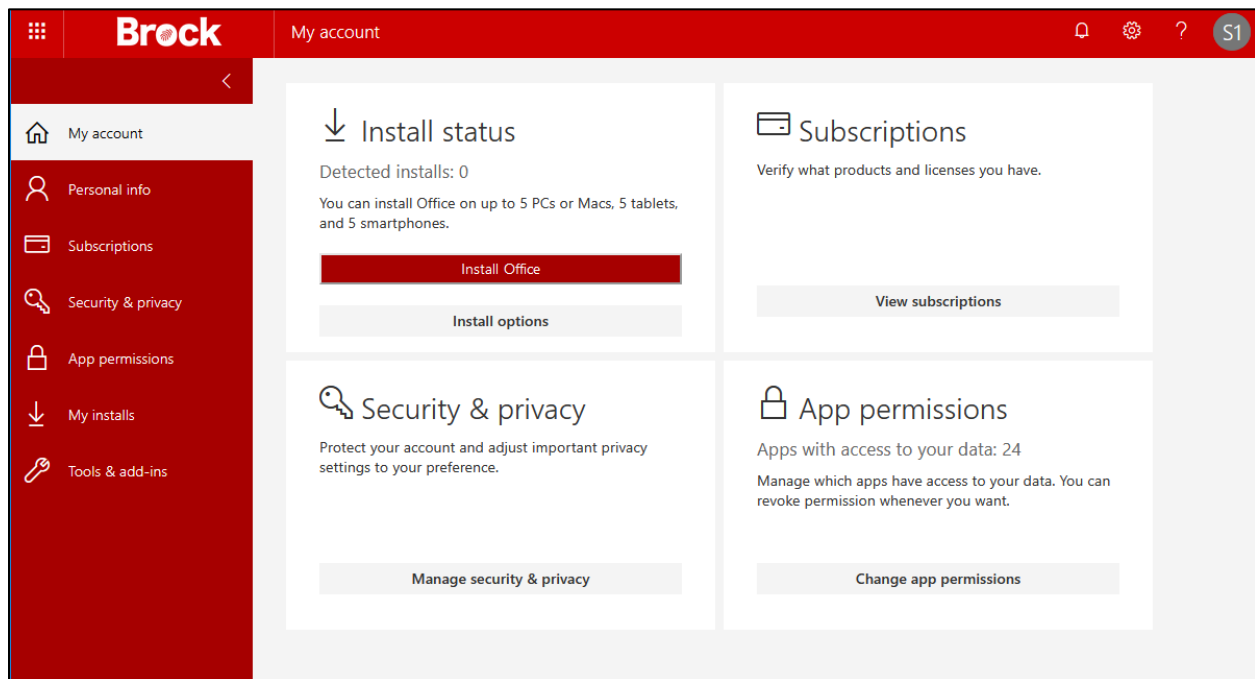

Use the **Change Password** method if you know your old password and want to update your password to a new one.

What to Do

1. Sign in to [Office 365](#).
2. Click on your initials in the top-right of the main Office 365 page and select **My account** (or go directly to <http://mysignins.microsoft.com>).

3. Click Security & privacy.

4. Click Password and follow the steps to change your password.
