**Wii U Gaming Console Setup**
- Go to **system settings**
- Select **Internet**

- Select **View MAC Address**
To continue you will need to register your MAC address. The link to the self serve form is available on our Residence Technology page: https://brocku.ca/information-technology/info/residence-technology/
- Go to **System Settings**
- Select **Internet**

- Connect to the **Internet**

- Select **Connections Types** (Y – Top Left)
- Select **Manual Configuration**

- Select **SSID**
- Enter SSID as **ResIoT**
- *The SSID is case sensitive*

- Select **OK**

- Select **Save** (B- Bottom Left)

- Confirm Save Changes

- Test Connection.
