Notes:

<sup>1</sup> Graduation Rate is defined as the proportion of new students entering their first year of study in the Academic Year specified who then graduated over the ensuing seven year period.

<sup>2</sup> Graduate Employment Rate is the percentage of graduates, for the graduation year specified, of bachelors or first professional degree programs, active in the labour force either 6 months or 2 years following their graduation.

<sup>3</sup> “--” indicates no data available.

<sup>4</sup> To ensure respondent's confidentiality, cell counts less-than 10 are displayed as "x".
