**Q27:** In some universities, resources are offered in multiple locations. To distinguish between resources or services that are offered by a "local office", for example based in a school, department or faculty, as opposed to a "central office" location offering their services campus-wide, please indicate if your rating applies to services received from a "local office" or from a "central office", or applies to both. Please answer regarding your most recent year's experience in the graduate school at this university. *(Data collected only if item was ranked in Q26).*
