

StudentGuard Translated Policy Steps (Online)

- Sign up for an account (if you do not have one already)
 - Go to our homepage (guard.me)
 - Go to the about.me section
 - To activate your account, go to “Click here to sign up for one”
 - You will need a valid policy number, date of birth, and email address. You will also need to create a password.
 - Once done you will receive an email confirming the account is active.
- To access the translated policy
 - Go to our homepage (guard.me)
 - Go to the about.me section
 - Once you have an account, you login with the email address and password provided at initial sign up.
 - You will have access to policy translations in this section as well as review claim statuses.
