

Dr. Stefan Brudzynski, Professor of Psychology and Neuroscience, wins international behavioral neuroscience award.

Dr. Stefan Brudzynski, Professor of Psychology and Neuroscience, wins international award from the International Behavioral Neuroscience Society (IBNS). The IBNS was formed in 1992 to encourage academic research and education in the field of Behavioral Neuroscience. IBNS is a world-wide society and has members from 34 different countries that consist of scientists, teachers, clinicians, therapists, and others with a background and interest in the relationship between brain and behavior. Dr. Brudzynski has been a member of IBNS since 1993 and was granted the status of fellow in 2005. See <http://www.brocku.ca/brock-news/?p=28944> for the full story in Brock News.
