

## BROCK UNIVERSITY DEPARTMENT OF CHEMISTRY NMR FACILITY

Fee Schedule as of October 2020 (all rates quoted in CDN)

### **Spectrometer (method) Rate**

*Bruker Avance NEO 600 Mhz. (multinuclear)*

Routine solution samples (H-1, F-19, P-31, 11B)      \$75 / sample

Low abundance nuclei,    \$150 / hour

*Bruker Avance 300/400 Mhz. (multinuclear)*

Routine solution samples ( H-1, F-19, P-31, 11B)      \$50 / sample

Low abundance nuclei,    \$100 / hour

Per sample rates include operator, calibration and setup.

Data provided in electronic format via email.

Discounts – Rate A 10% off on sample lots of five or more.

Academic institutions get 25% discount on all services.

Contractual arrangements for large sample lots (or for extended project service) are available.
