

## DECLARATION OF ORIGINALITY

### STUDENT:

As the student, I declare that all data included in the Results section of this thesis represent my own original work except parts done by collaborator(s) as clearly indicated, or obtained from published articles (if applicable), and that their contributions are accurately represented to the best of my capacity. Furthermore, I declare that to the best of my knowledge no sections of the text have been previously published by others, and either the appropriate permissions have been obtained to reproduce any published text, figures and schemes, or text, figures and schemes have been adequately modified to satisfy copyright regulations. I further declare that neither ChatGPT nor any other artificial mode (AI) was used to construct/modify/edit the text of the thesis.

### SUPERVISOR (S):

I declare that as the supervisor (or co-supervisor), I have read this thesis and to the best of my knowledge it is an original body of work that has not been previously defended at this or any other institution. I further certify that to the best of my knowledge no sections of the text, figure(s) and table(s) included in this thesis have been previously published by others, excepting work published by the candidate or content reprinted with permission of the publisher or adequately modified to satisfy copyright regulations.
