

Alternative access to the Mathematics Skills Test

Beyond using the links on the Main Skills Test page or Skills Test Instruction Booklet, you can also activate and access your Möbius account by logging into Sakai at <http://lms.brocku.ca> using your Brock login and password, selecting the course you have registered in (either Math 1P01 or Math 1P05) and clicking on the Möbius button as indicated below:

Please note: You will only be able to log into Möbius using either the links given in the documentation or by going through Sakai. **Logging directly into Möbius** with your Brock username and password **will not work**.

The screenshot displays the Sakai LMS interface. At the top, there is a navigation bar with several dropdown menus: Home, FMSVideos, MATH-1P01-D02-S01-LEC, MATH-1P05-D02-S01-SYN, MATH 1P05 - Winter 2022, BU101 Faculty of Math and Science, and BU4U - BU101. Below this, there are two more dropdown menus: Math and Science - ISA and MATH-1P97-Instructor. The main content area is titled 'OVERVIEW' and shows a list of items: Home, MATH-1P01-D02-S01-LEC, and Mathematics Skills ... (circled in red). The 'Mathematics Skills ...' item is highlighted with a red circle. To the right of the 'Home' and 'MATH-1P01-D02-S01-LEC' items are buttons for 'Edit', 'Link', 'Help', and 'Close'. On the right side of the page, there is a 'Recent Announcements' section with 'Options' and 'Announcements' (viewing announcements from the last 10 days) sections. The 'Announcements' section states 'There are currently no announcements at this location.'
