Choose your writing time and click “Join Group.” You are then registered for that day and time. You can always revisit this page to see what day and time you have registered for. Testing will take place in MCJ 430.

Writing times are available on a first come, first serve basis as the room size is limited. If a writing time is full, you will have to pick a different day/time. The room is limited in capacity and if full we cannot accommodate additional students.

You can change your writing time by leaving the group and joining another (assuming there is a spot free). However, students should exercise caution in changing their writing times as you will lose your original registration once you have clicked the “Leave Group” link.

Students can register for a group between December 19<sup>th</sup> 2022 at 1:00 PM EST and January 2<sup>nd</sup> 2023 at 11:59 PM.
