

**Department of Biological Sciences  
Seminar Series presents:**

## **“Where Should we Focus to Improve Health Post-Pandemic Emergency?”**

**Dr. M. Mustafa Hirji  
Medical Officer of Health & Commissioner (Acting), Public Health & Emergency  
Services, Niagara Region**

**March 10th, 2023 at 12h00-13h00 EST  
Room TH 256**

The last three years concentrated society’s focus on health as we lived through the emergency phase of the pandemic. However, the pandemic as a whole isn’t over. Some other health issues have worsened since the emergency phase. And the sustainability of our health care system is frequently in the news now. Fortunately, the last three years has given us a better understanding of the challenges we face to improve health, and also some opportunities.
