

# PROXY CARD ACCESS REQUEST FORM

Building: **The Cairns Family Health & Biosciences Research Complex (CRN)**

Student Name \_\_\_\_\_ Student ID \_\_\_\_\_ Email: \_\_\_\_\_

---

## Access Request

| Research Area / Lab requested | Name and approval of the researcher responsible for the research area / lab | Proxy Card #<br>(see next page) | Exterior Doors<br>(Yes/No) | Stairwell/<br>Elevator<br>(Yes/No) | Deactivation Date<br>(required) |
|-------------------------------|---|---------------------------------|----------------------------|------------------------------------|---------------------------------|
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |
|                               |   |                                 |                            |                                    |                                 |

**Students must have completed the appropriate level of safety course(s) before card access is granted.**

**Student's signature / confirmation \_\_\_\_\_.**

**Supervisor's Name \_\_\_\_\_ Authorization: \_\_\_\_\_.**

*Please submit the completed and signed forms to Graduate Administrative Coordinator, MCD 473*

Please allow 2 – 3 days for activation

Do not punch any holes on the card itself as it will deactivate the proximity sensor.  
There is a charge for replacing the card.
